(57) **CLAIM**

I claim a support for hanging wrapping material, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view showing a support for hanging wrapping material;

FIG. 2 is a right side elevational view thereof;

FIG. 3 is a left side elevational view thereof;

FIG. 4 is a top plan view thereof; and,

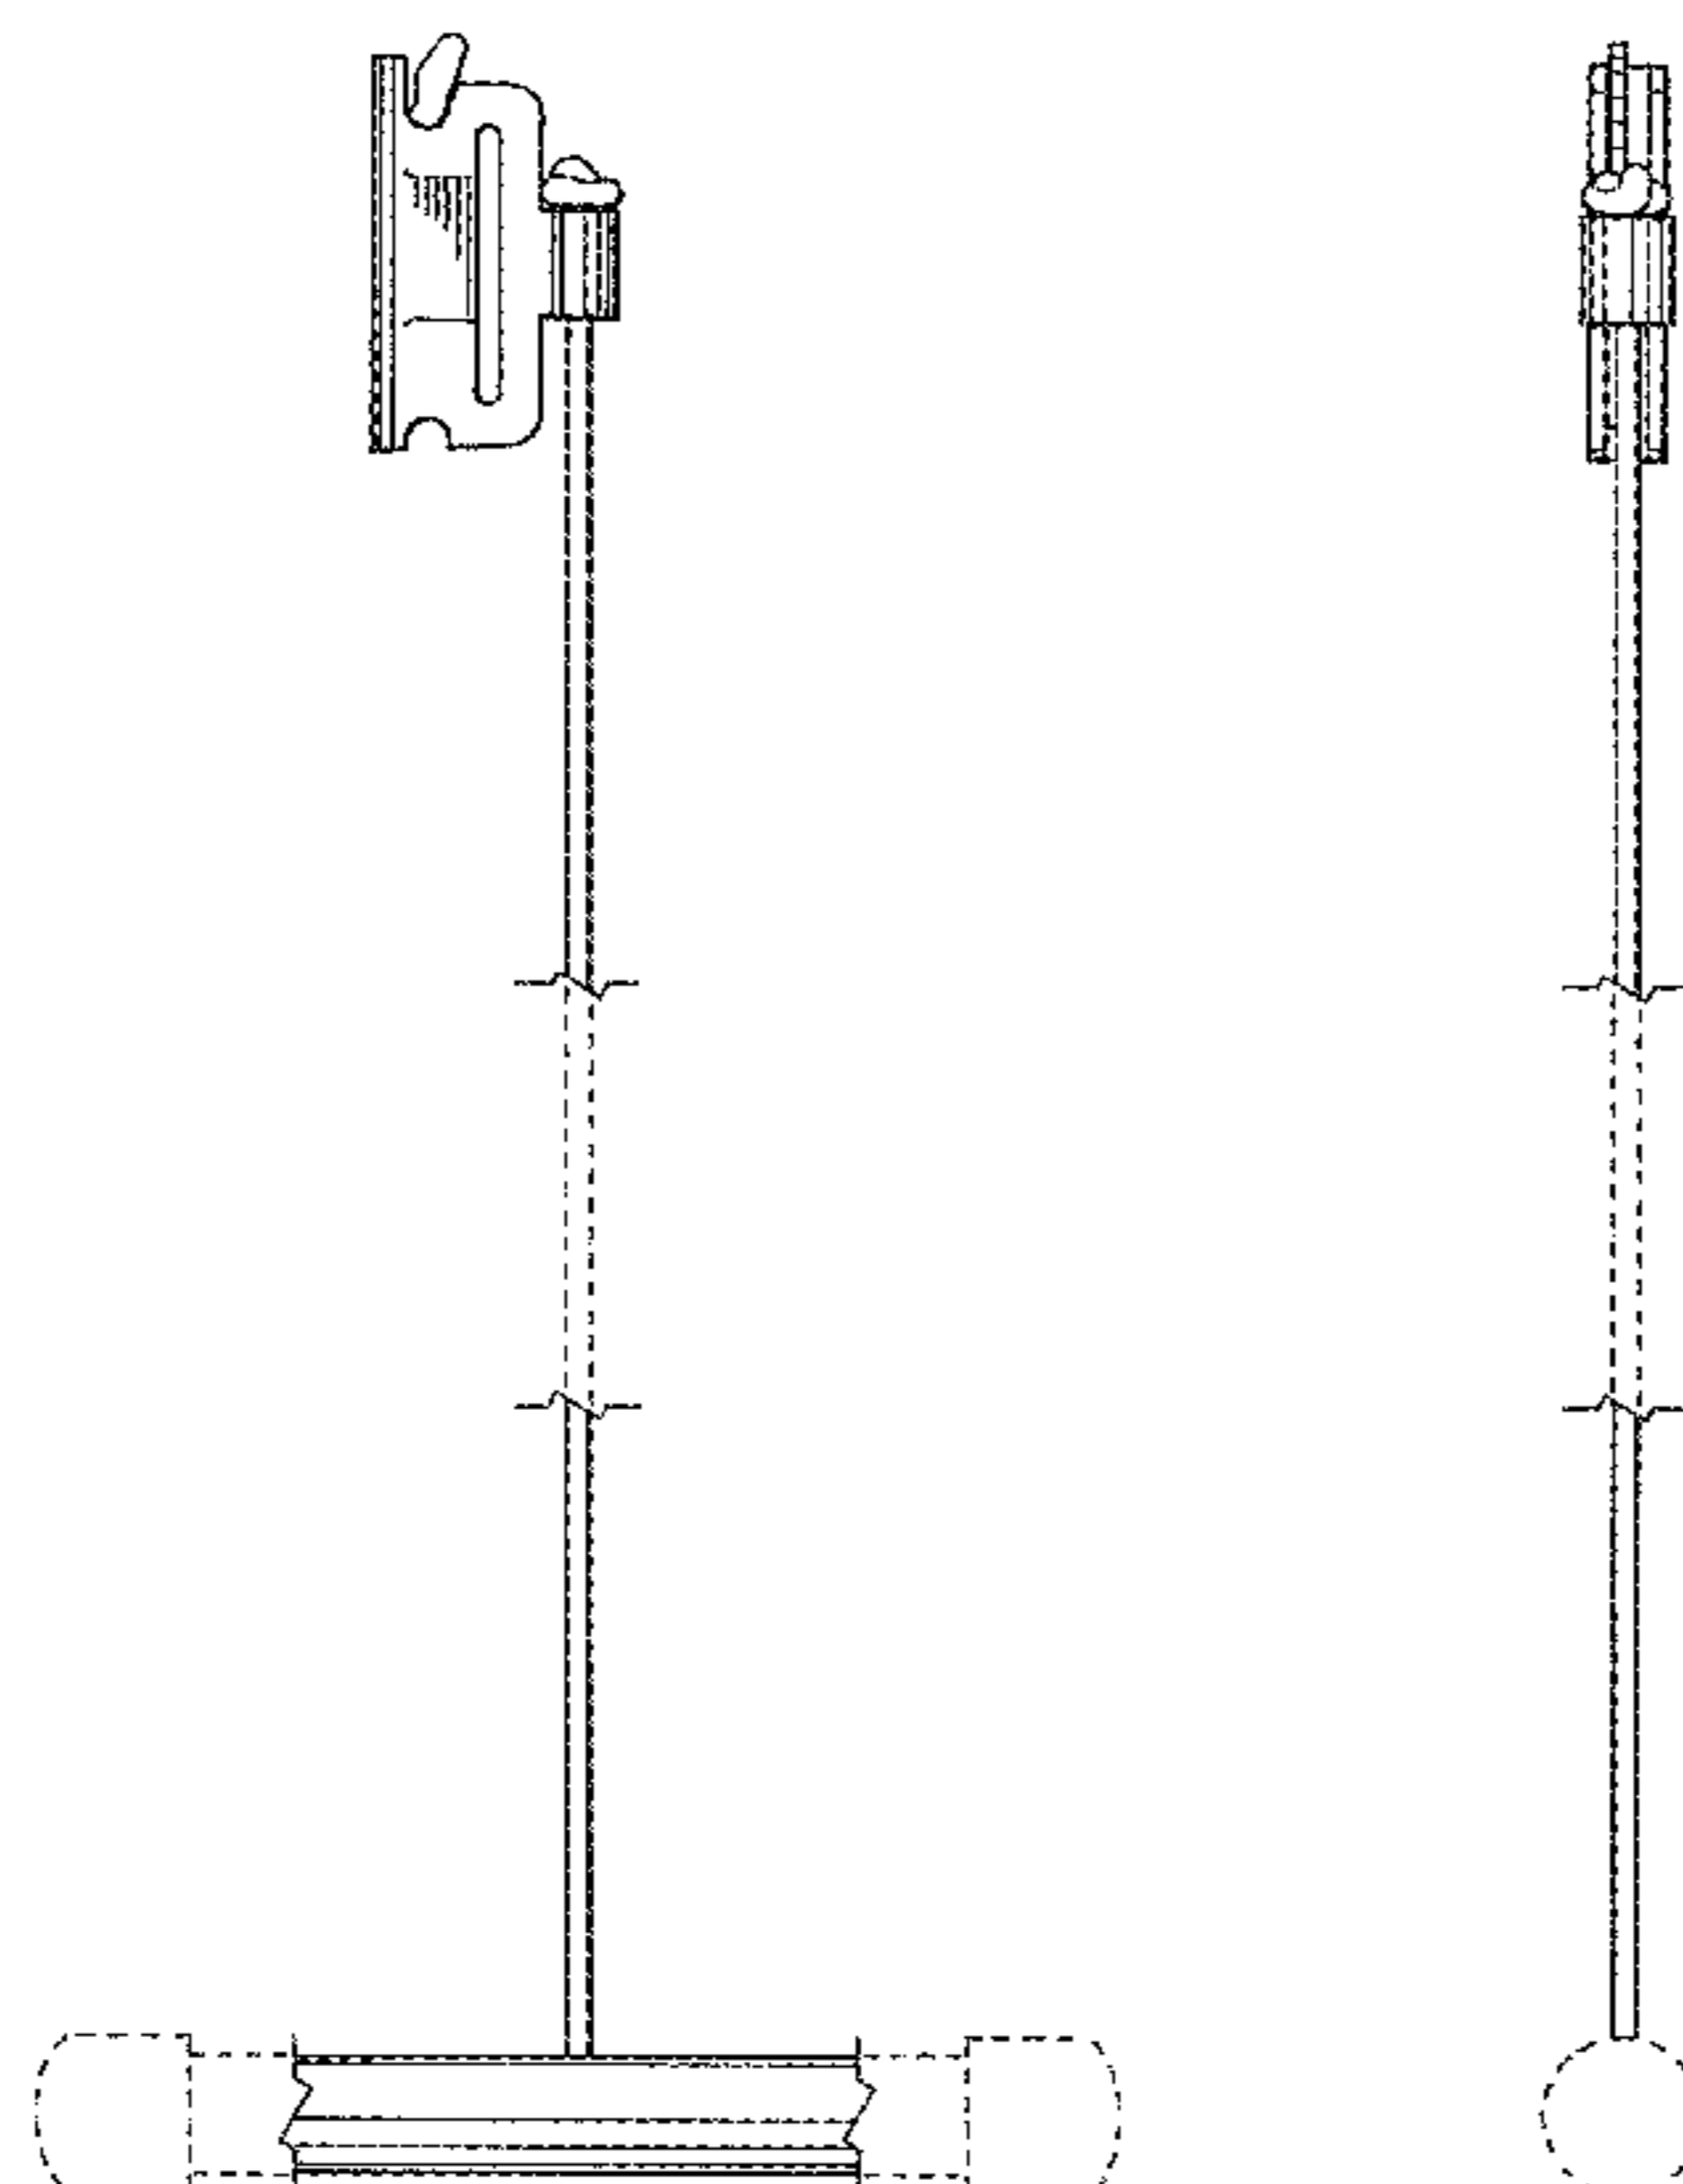

FIG. 5 is a bottom view plan thereof.

All broken lines in the drawings depict portions of the article of manufacture that are not included in the claimed design.

Two broken-away symbols that appear in each of FIGS. 1, 2 and 3 indicate that a central portion of the flexible cord that extends between lower and upper portions of the article of manufacture forms no part of the claimed design.

Two broken-away symbols that appear in each of FIGS. 1, 4 and 5 indicate that opposite end portions of the cross-bar form no part of the claimed design.

**1 Claim, 2 Drawing Sheets**
