(57) **CLAIM**

The ornamental design for a boat strip light and housing, as shown.

DESCRIPTION

FIG. 1 is a top view of my new design for a boat strip light and housing.

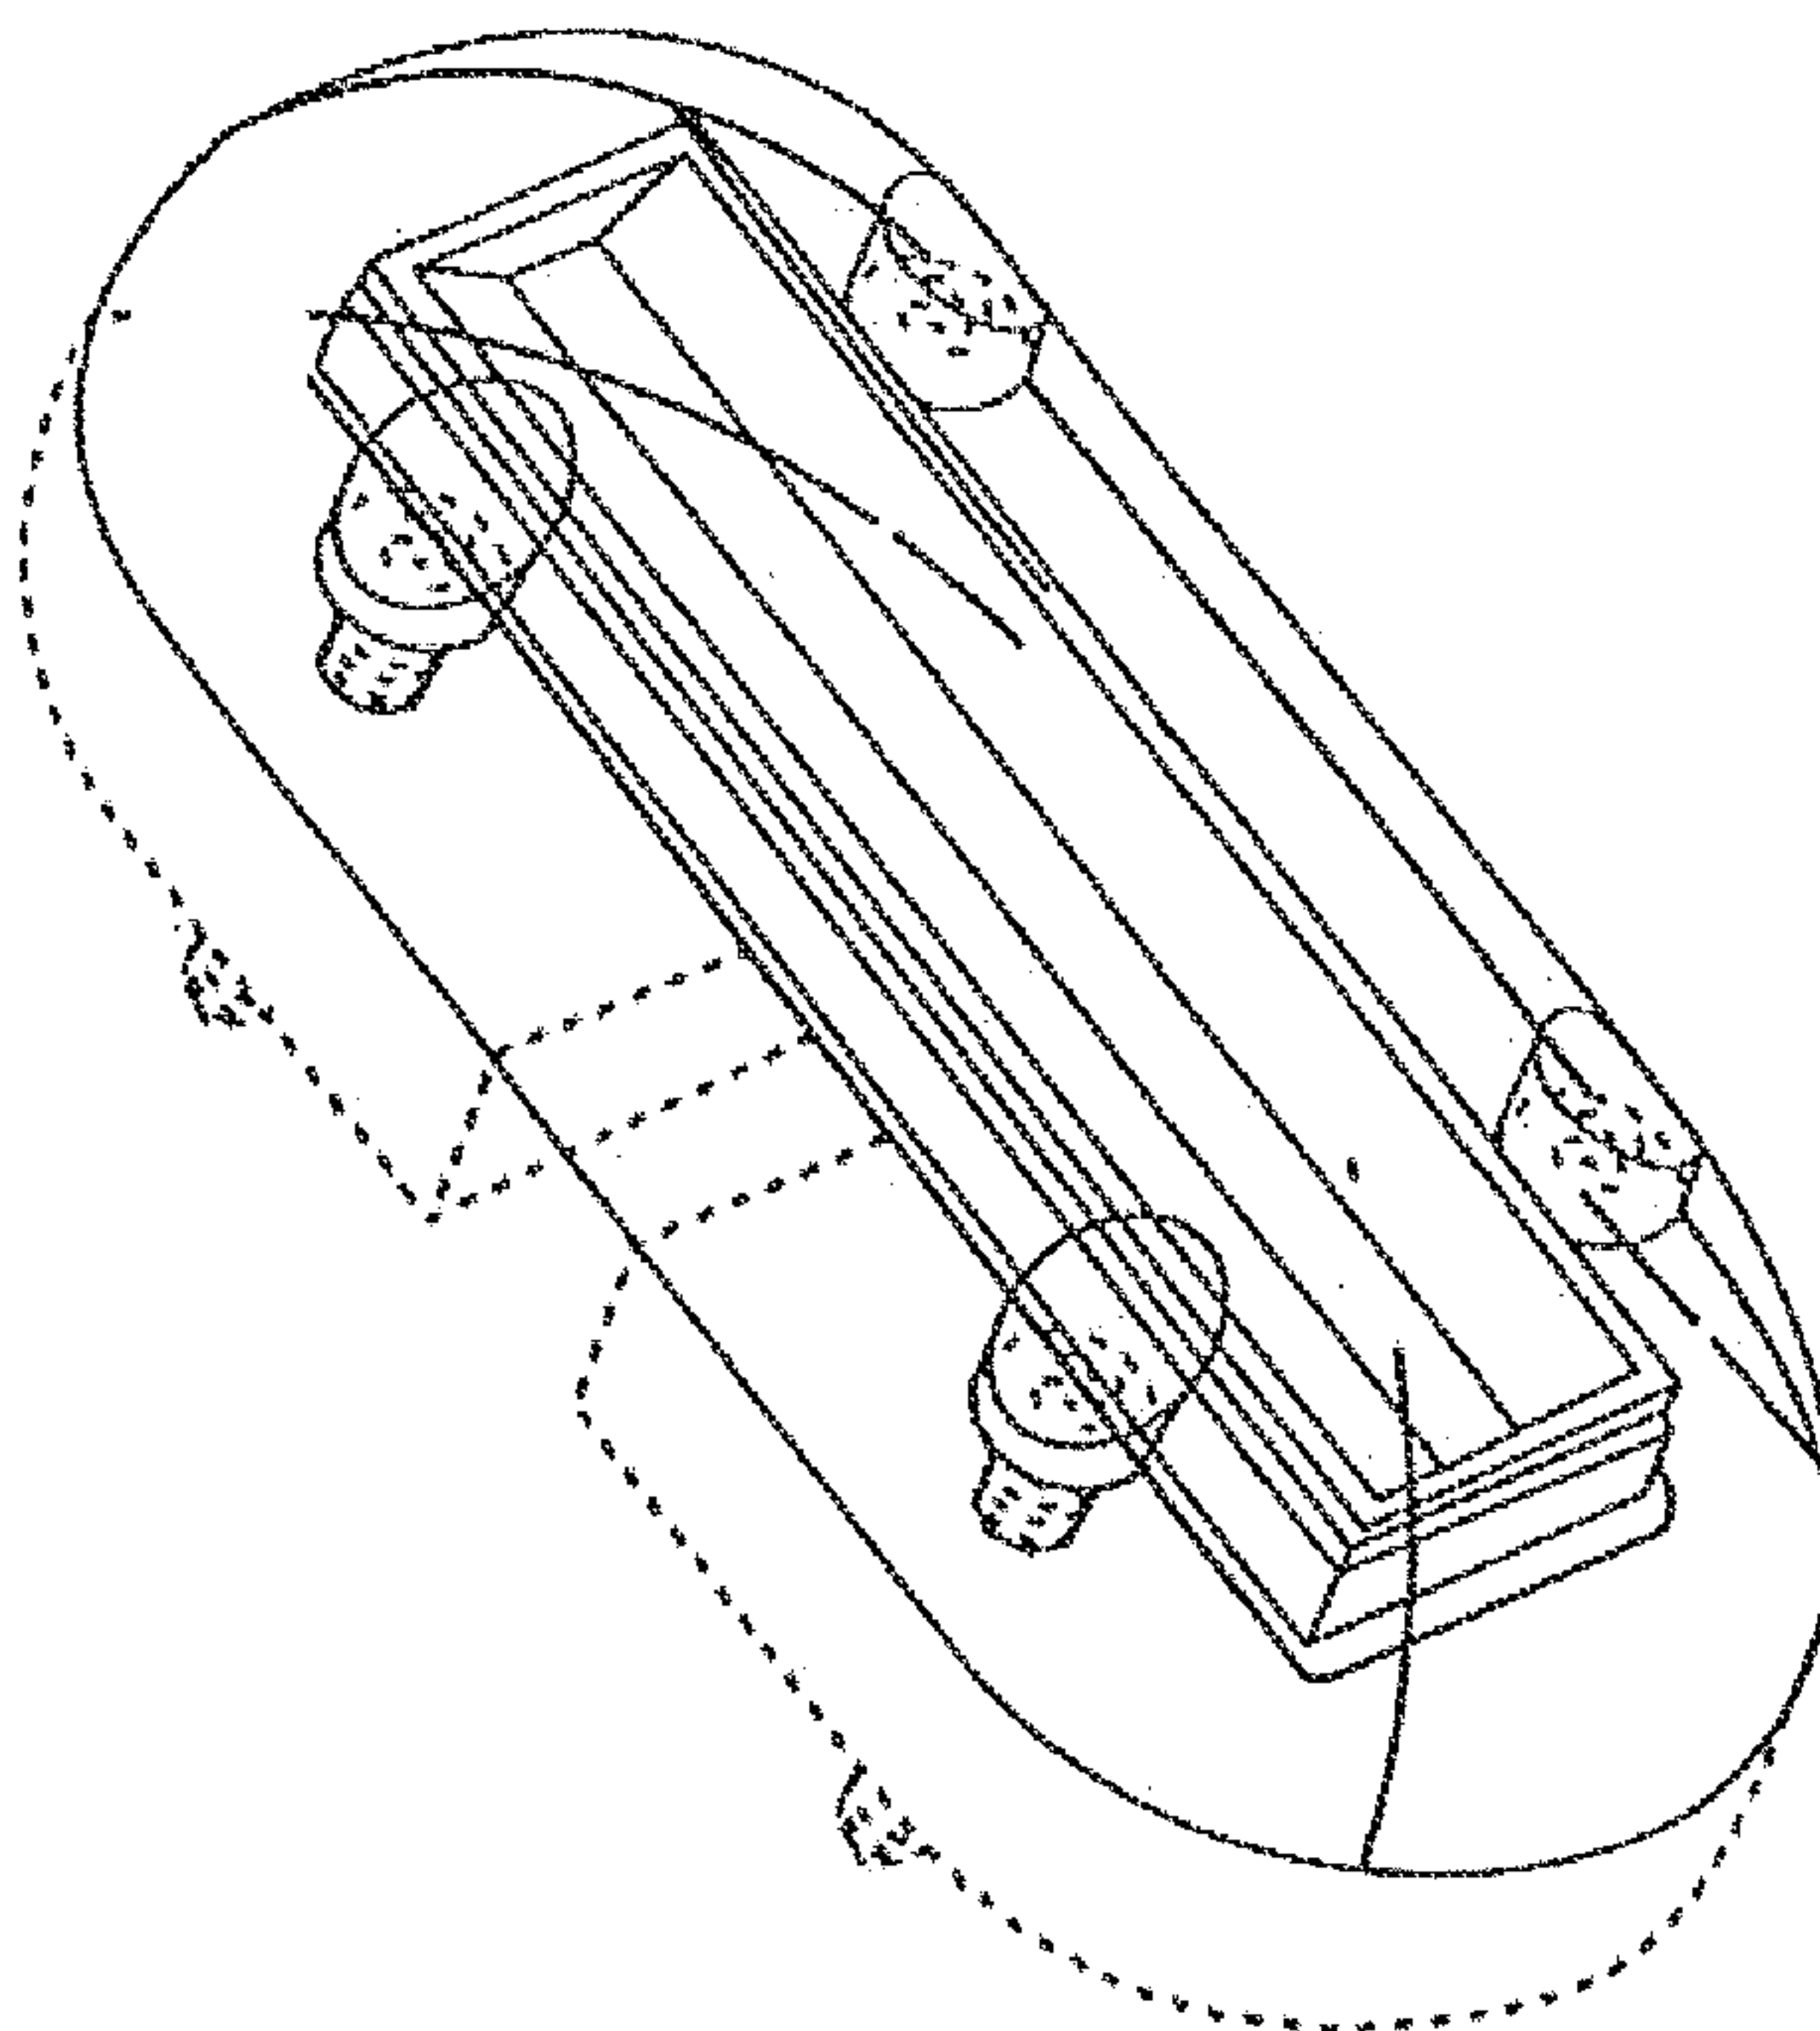

FIG. 2 is an end view of my new design for a boat strip light and housing, showing a gasket and screws in broken lines that are not part of the claimed design, but helpful to disclose the environment in which the design may be used.

FIG. 3 is a side view of my new design for a boat strip light and housing, showing the gasket and screws, as well as the power connector (on the center of the undersigned of housing), in broken lines as part of the environment.

FIG. 4 is a bottom view of my new design for a boat strip light and housing; and,

FIG. 5 is a perspective view of my new design for the boat strip light and housing.
