(57) **CLAIM**

The ornamental design for a printer screen with icon, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a printer screen with icon; and, FIG. 2 is a front view of a printer screen with icon shown in the environment of a printer with graphical user interface. The broken line showing of a printer, printer screen, and graphical user interface are included for the purpose of illustrating environment and form no part of the claimed design.
