See application file for complete search history.

FIG. 1 is a perspective view of an architectural panel with scale embossed surface, showing our new design.
FIG. 2 is a front view of the architectural panel with scale embossed surface.
FIG. 3 is a back view of the architectural panel with scale embossed surface.
FIG. 4 is a left side view of the architectural panel with scale embossed surface.
FIG. 5 is a right side view of the architectural panel with scale embossed surface.
FIG. 6 is a top view of the architectural panel with scale embossed surface; and,
FIG. 7 is a bottom view of the architectural panel with scale embossed surface.
The extended outer perimeter shown in broken lines in FIG. 1 depicts environmental subject matter and forms no part of the claimed design. The remaining broken lines in the drawings represent portions of the architectural panel with scale embossed surface that form no part of the claimed design.
