(57) **CLAIM**

The ornamental design for a protective glove, as shown and described.

DESCRIPTION

The file of this patent contains at least one drawing executed in color. Copies of this patent with color drawings will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front view of a protective glove according to the present design, particularly illustrating a dorsal side of a black protective glove having an orange interior lining;

FIG. 2 is a rear view of the protective glove of FIG. 1, particularly illustrating a palmar side of the protective glove; FIG. 3 is a perspective view of the protective glove of FIG. 1, particularly illustrating its black exterior and orange interior lining or layer;

FIG. 4 is a front view of a protective glove according to the present design, particularly illustrating a dorsal side of a blue glove having a green interior lining;

FIG. 5 is a rear view of the protective glove of FIG. 4, particularly illustrating a palmar side of the protective glove; and,

FIG. 6 is a perspective view of the protective glove of FIG. 4, particularly illustrating its blue exterior and green interior lining or layer.

In the drawings, the broken lines shown in FIGS. 1-6 depict portions of the design that form no part of the claim.

1 Claim, 6 Drawing Sheets
