(57) **CLAIM**

The ornamental design for a transdermal adhesive article with surface ornamentation, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The sole drawing is a top view of a transdermal adhesive article with surface ornamentation showing my new design. The evenly dashed broken lines in the figures are for the purpose of illustrating the claim boundary and form no part of the claim. The unevenly dashed broken lines showing an adhesive article are for the purpose of illustrating environmental structure and form no part of the claim.
