Assistant Examiner — Paul D Bohannon

(74) *Attorney, Agent, or Firm* — Cameron IP

(57) **CLAIM**

The ornamental design for a folding bed for space saving storage within a cabinet, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the design in a closed position;
FIG. 2 is a front view of the design in the closed position;
FIG. 3 is a left side elevation view of the design in the closed position;
FIG. 4 is a rear view of the design in the closed position;
FIG. 5 is a top view of the design in the closed position;
FIG. 6 is a bottom view of the design in the closed position;
FIG. 7 is a perspective view of the design in a first partially open position;
FIG. 8 is a perspective view of the design in a second partially open position;
FIG. 9 is a perspective view of the design in a third partially open position;
FIG. 10 is a perspective view of the design in a fourth partially open position;
FIG. 11 is a perspective view of the design in a fifth partially open position;
FIG. 12 is a perspective view of the design in a fully open position;
FIG. 13 is a top view of the design in the fully open position;
FIG. 14 is a right side view of the design in the fully open position;
FIG. 15 is a bottom view of the design in the fully open position;
FIG. 16 is a rear view of the design in the fully open position;
FIG. 17 is a front view of the design in the fully open position; and,
FIG. 18 is a second perspective view of the design in the fully open position.
The right side elevation view of the design in the closed position is a mirror image of FIG. 3. The left side view of the design in the fully open position is a mirror image of FIG. 14.
