Primary Examiner — Austin Murphy

(57) **CLAIM**

The ornamental design for a power adapter, as shown and described.

DESCRIPTION

FIG. 1 is a perspective of a power adapter showing our new design when the power adapter is in a first position; FIG. 2 is a front view thereof when the power adapter is in a first position; FIG. 3 is a right side elevation view thereof when the power adapter is in a first position, the left side being mirror image; FIG. 4 is a bottom view thereof when the power adapter is in a first position; FIG. 5 is a top view thereof when the power adapter is in a first position; FIG. 6 is another perspective view thereof when the power adapter is in a first position; FIG. 7 is a perspective view thereof when the power adapter is in a second position; FIG. 8 is a front view thereof when the power adapter is in a second position; FIG. 9 is a right side elevation view thereof when the power adapter is in a second position, the left side being a mirror image; FIG. 10 is a bottom view thereof when the power adapter is in a second position; FIG. 11 is a top view thereof when the power adapter is in a second position; and, FIG. 12 is another perspective view thereof when the power adapter is in a second position.

The broken lines in the drawings depict unclaimed environmental subject matter and form no part of the claimed design.

The rear of the power adapter is unornamented and, therefore, not shown.

1 Claim, 12 Drawing Sheets
