(57) **CLAIM**

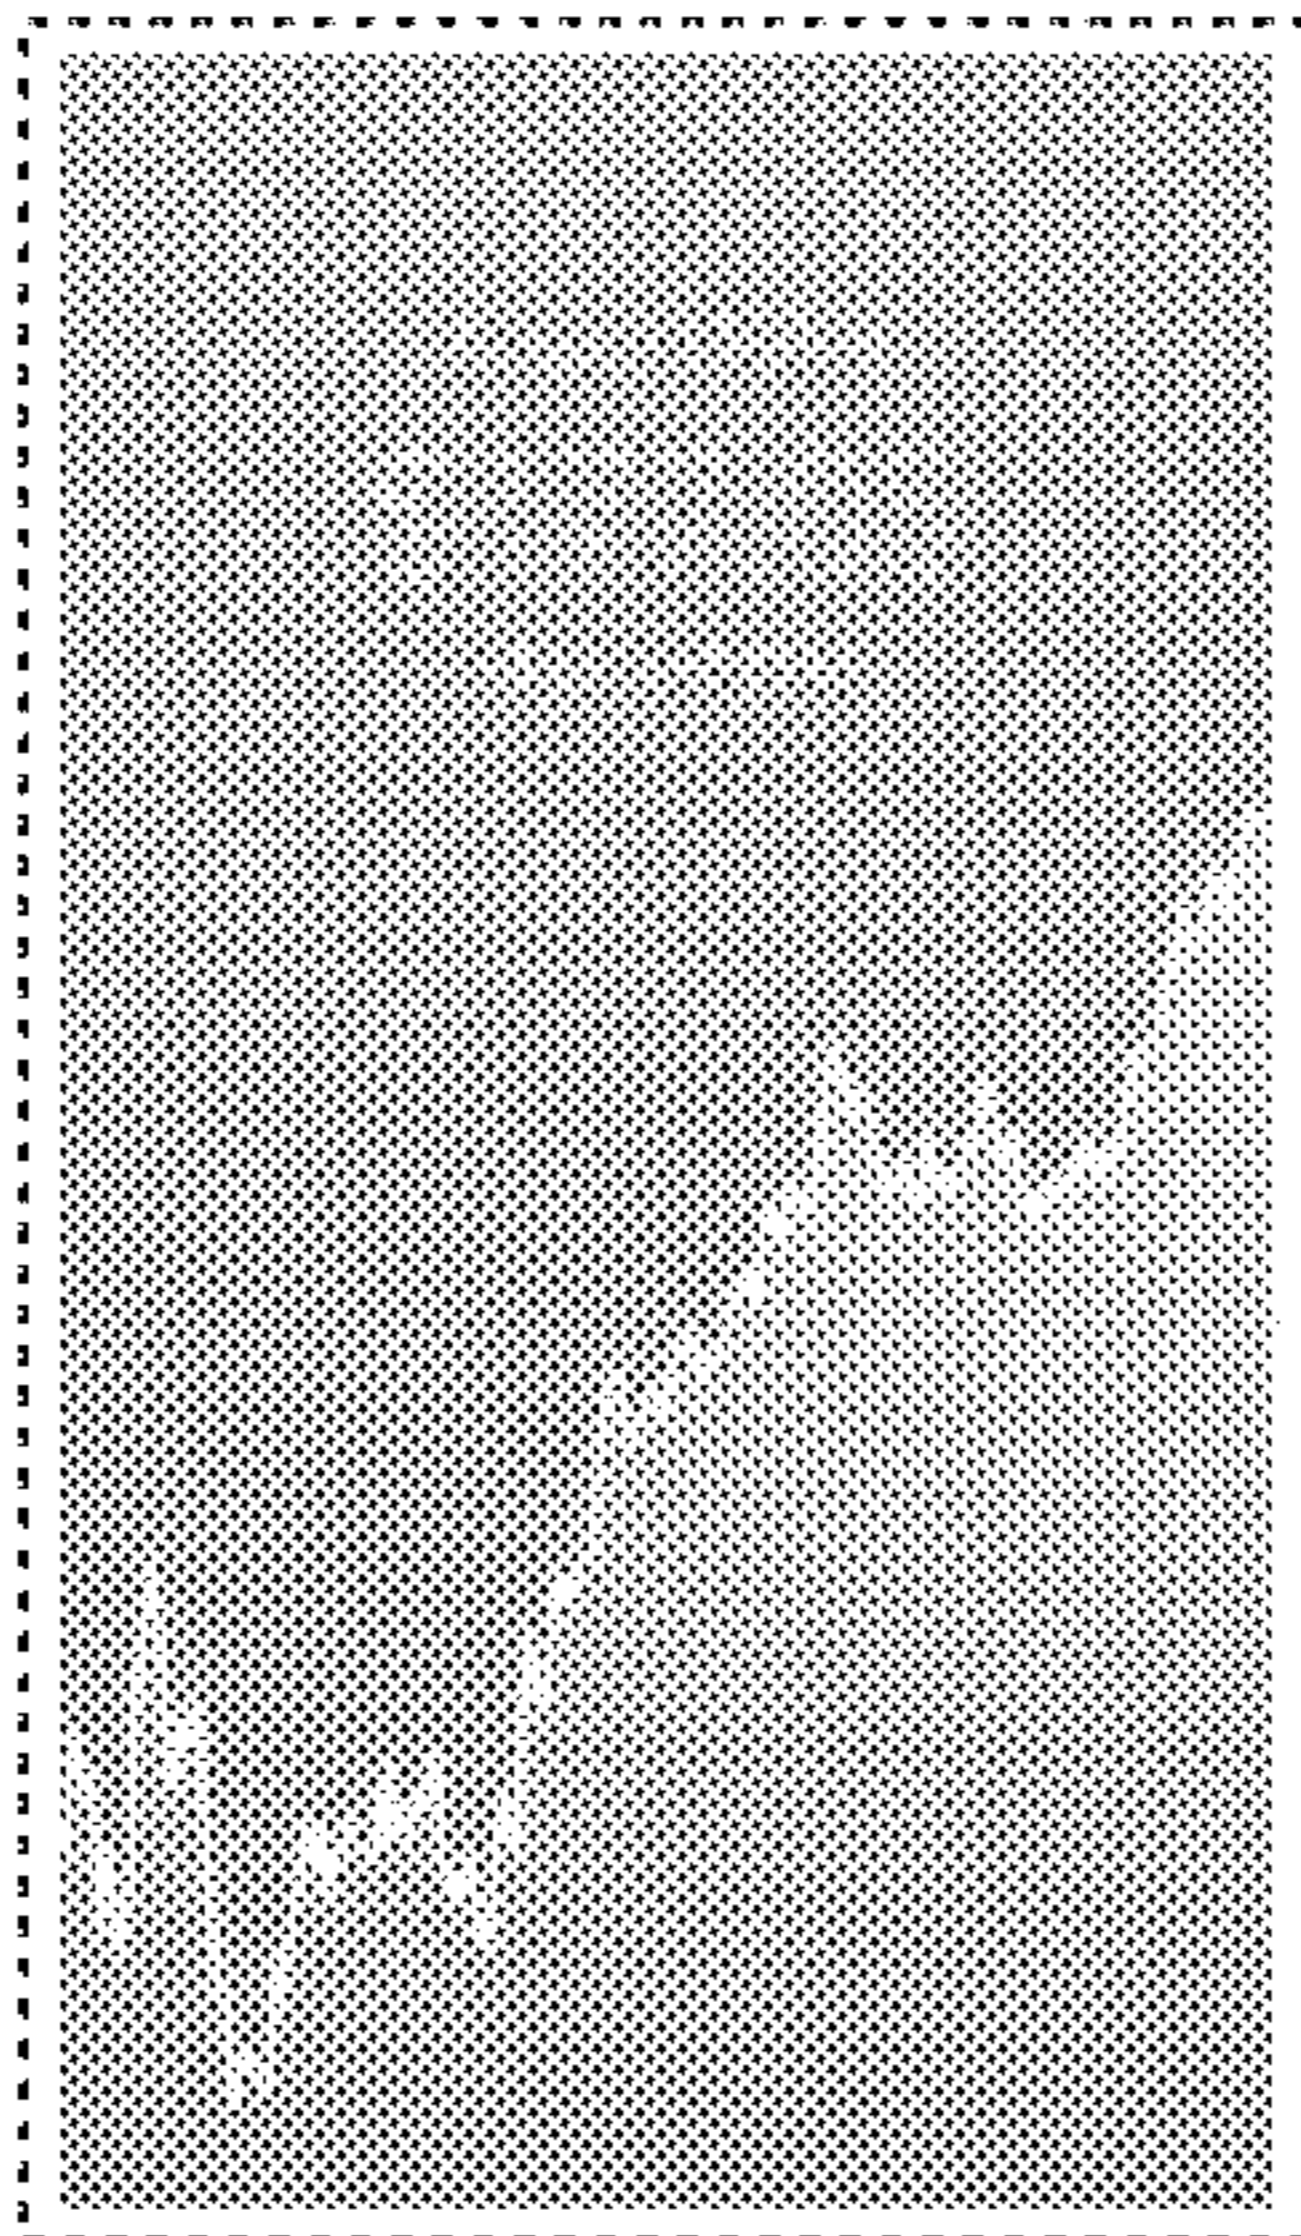

The ornamental design for a display screen or portion thereof with a financial data graphical user interface, as shown and described.

DESCRIPTION

The patent or application contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawings will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 shows a front view of a display screen or portion thereof with a financial data graphical user interface that incorporates the new, original, and ornamental design; and, FIG. 2 shows a front view of a second embodiment thereof. The broken line showing of the display screen is for the purpose of illustrating environment and forms no part of the claimed design.
