(57) **CLAIM**

The ornamental design for a firearm aiming and illuminating device, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a firearm aiming and illuminating device showing our new design.

FIG. 2 is a left view of the firearm aiming and illuminating device.

FIG. 3 is a right view of the firearm aiming and illuminating device.

FIG. 4 is a front view of the firearm aiming and illuminating device.

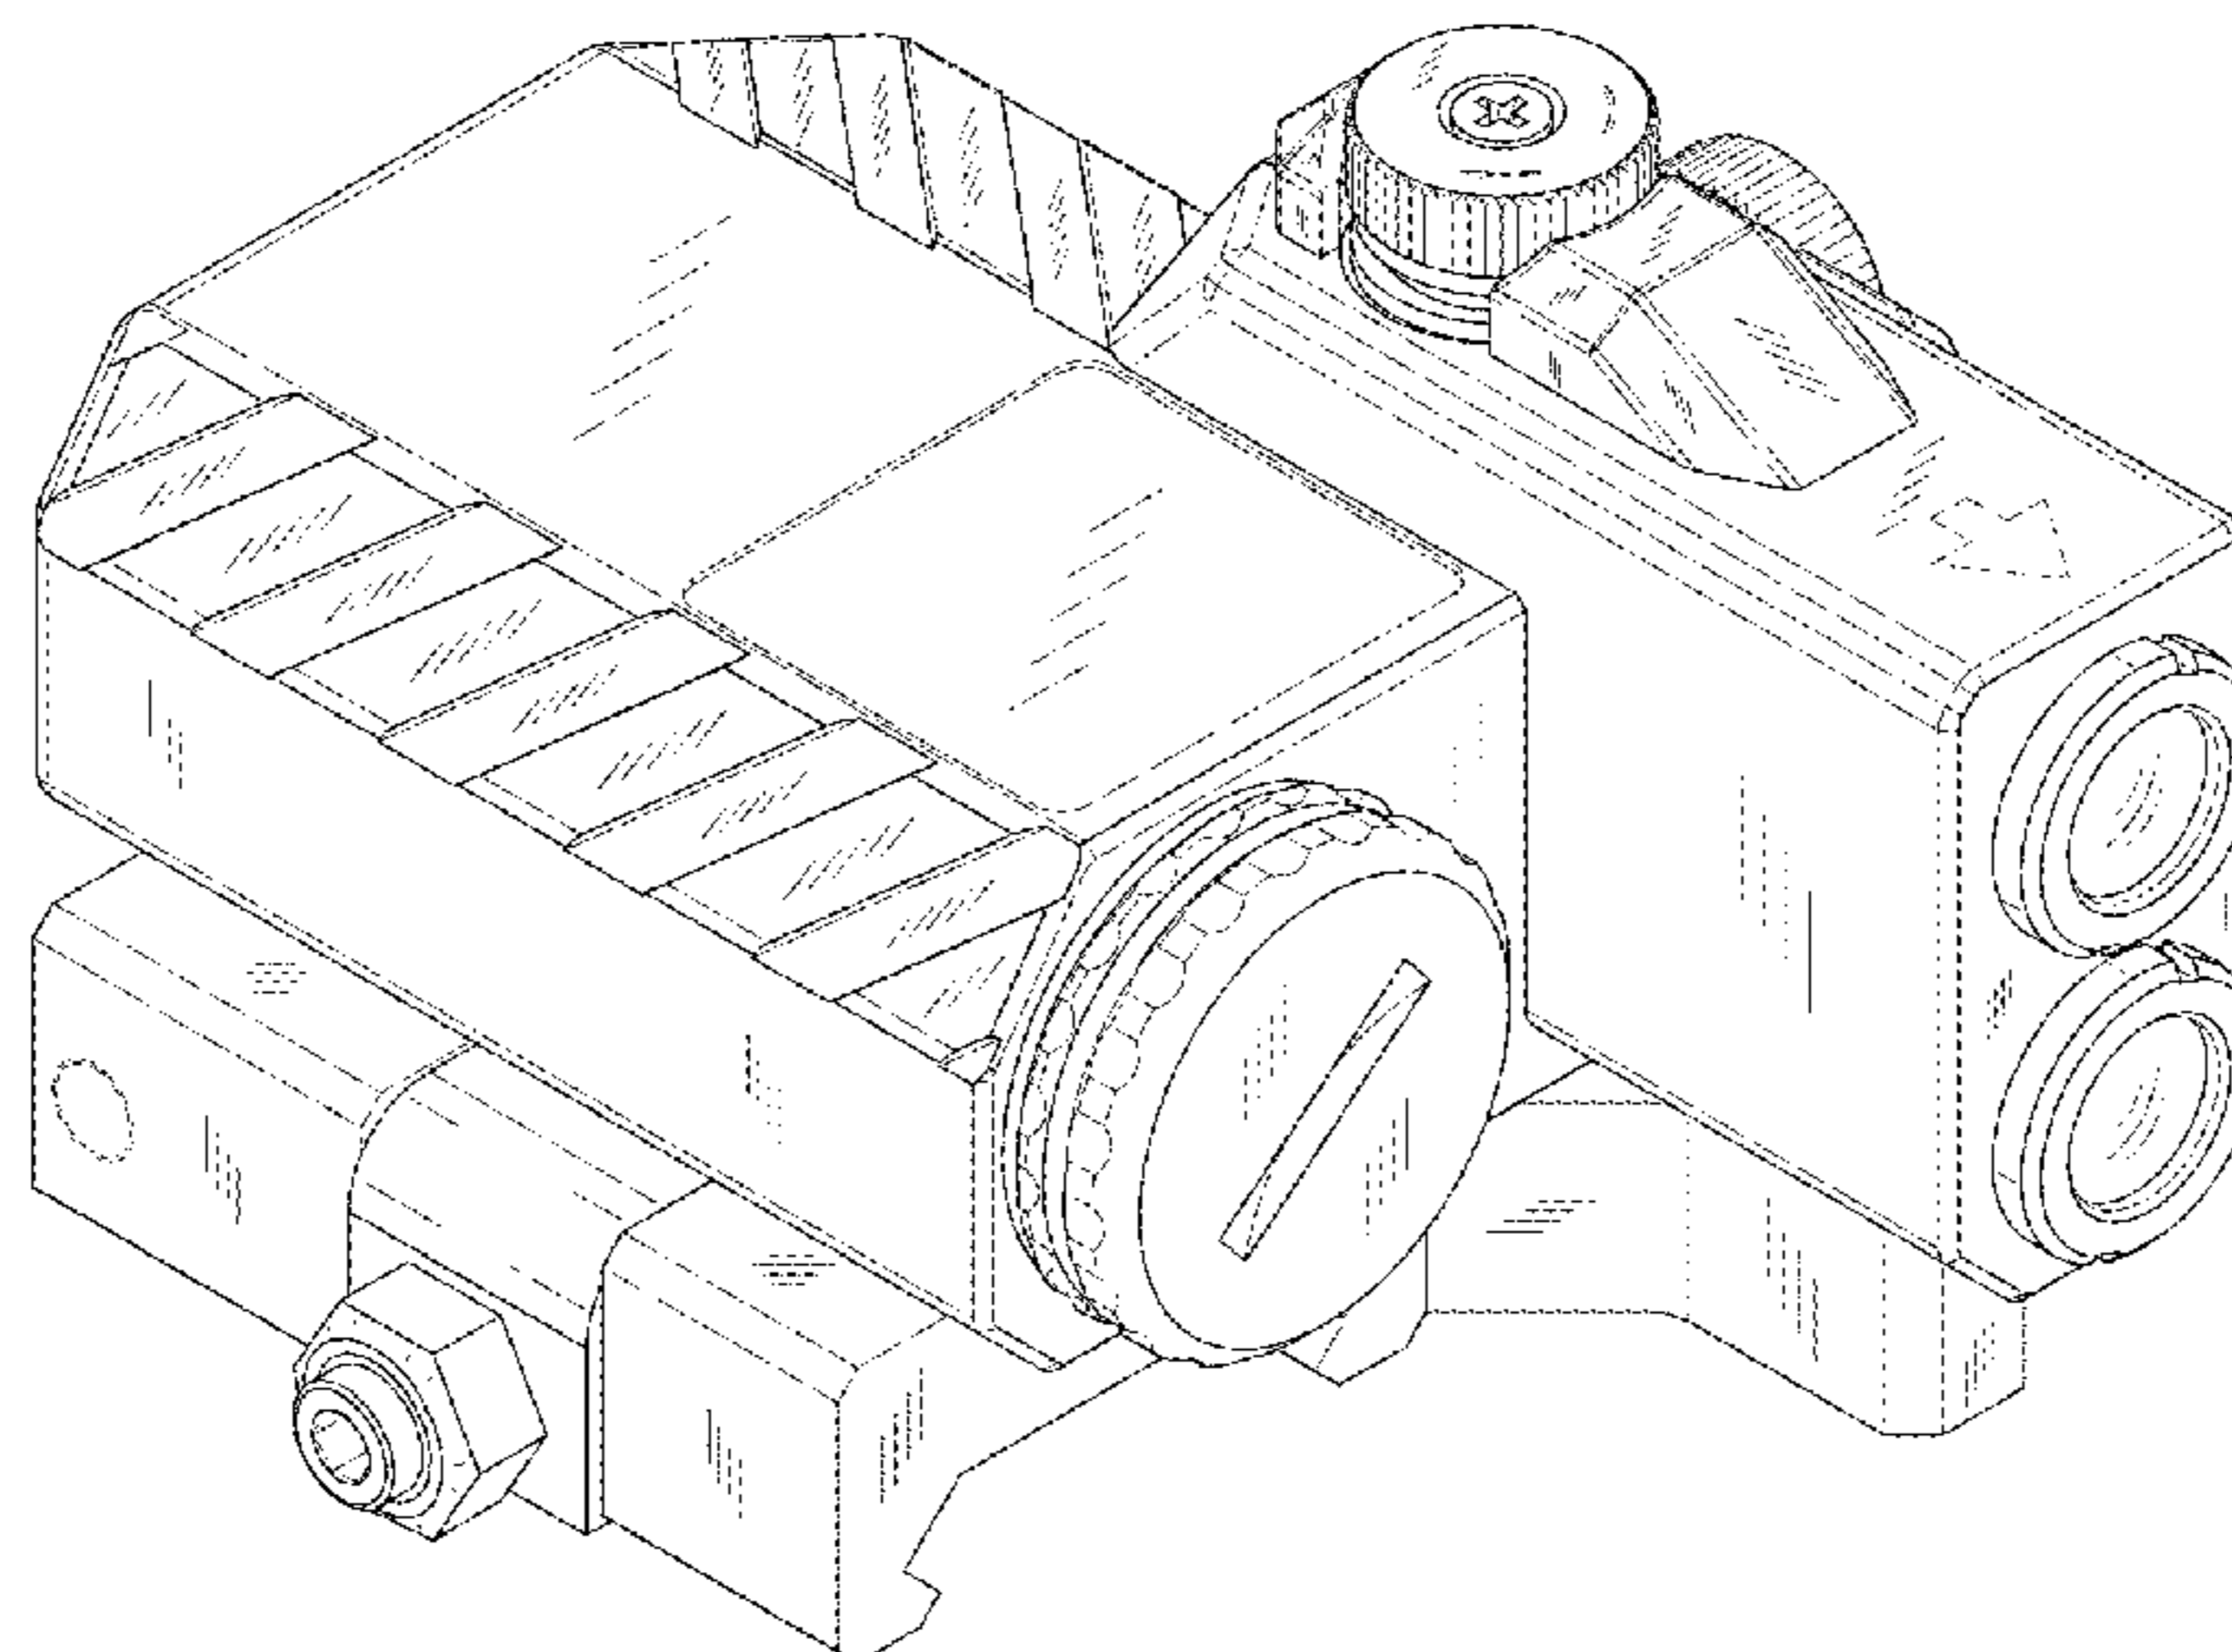

FIG. 5 is a rear view of the firearm aiming and illuminating device.

FIG. 6 is a top view of the firearm aiming and illuminating device; and,

FIG. 7 is a bottom view of the firearm aiming and illuminating device.

The broken line portion of the figure drawings is included to show unclaimed subject matter only and forms no part of the claimed design.
