(57) **CLAIM**

The ornamental design for a tissue cell block, as shown and described.

**DESCRIPTION**

FIG. 1 is a top perspective view of a tissue cell block showing our new design; and,  
FIG. 2 is a top plan view thereof, the bottom plan view being a minor image thereof.  
Area depicted in dense stippling represents a species of cells different than the area depicted in sparse stippling. Area depicted in sparse stippling shows a contrasting opaque background.
