(57) **CLAIM**

The ornamental design for a tissue cell block, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a tissue cell block showing our new design; and, FIG. 2 is a top plan view thereof, the bottom plan view being a mirror image thereof. Area depicted in dense stippling represents a species of cells different than the area depicted in sparse stippling. Area depicted in sparse stippling shows a contrasting opaque background.
