The ornamental design for a wearable personal identification device, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a wearable personal identification device showing our new design;
FIG. 2 is a front view of the wearable personal identification device;
FIG. 3 is a rear view of the wearable personal identification device;
FIG. 4 is a left side view of the wearable personal identification device;
FIG. 5 is a right side view of the wearable personal identification device;

(Continued)

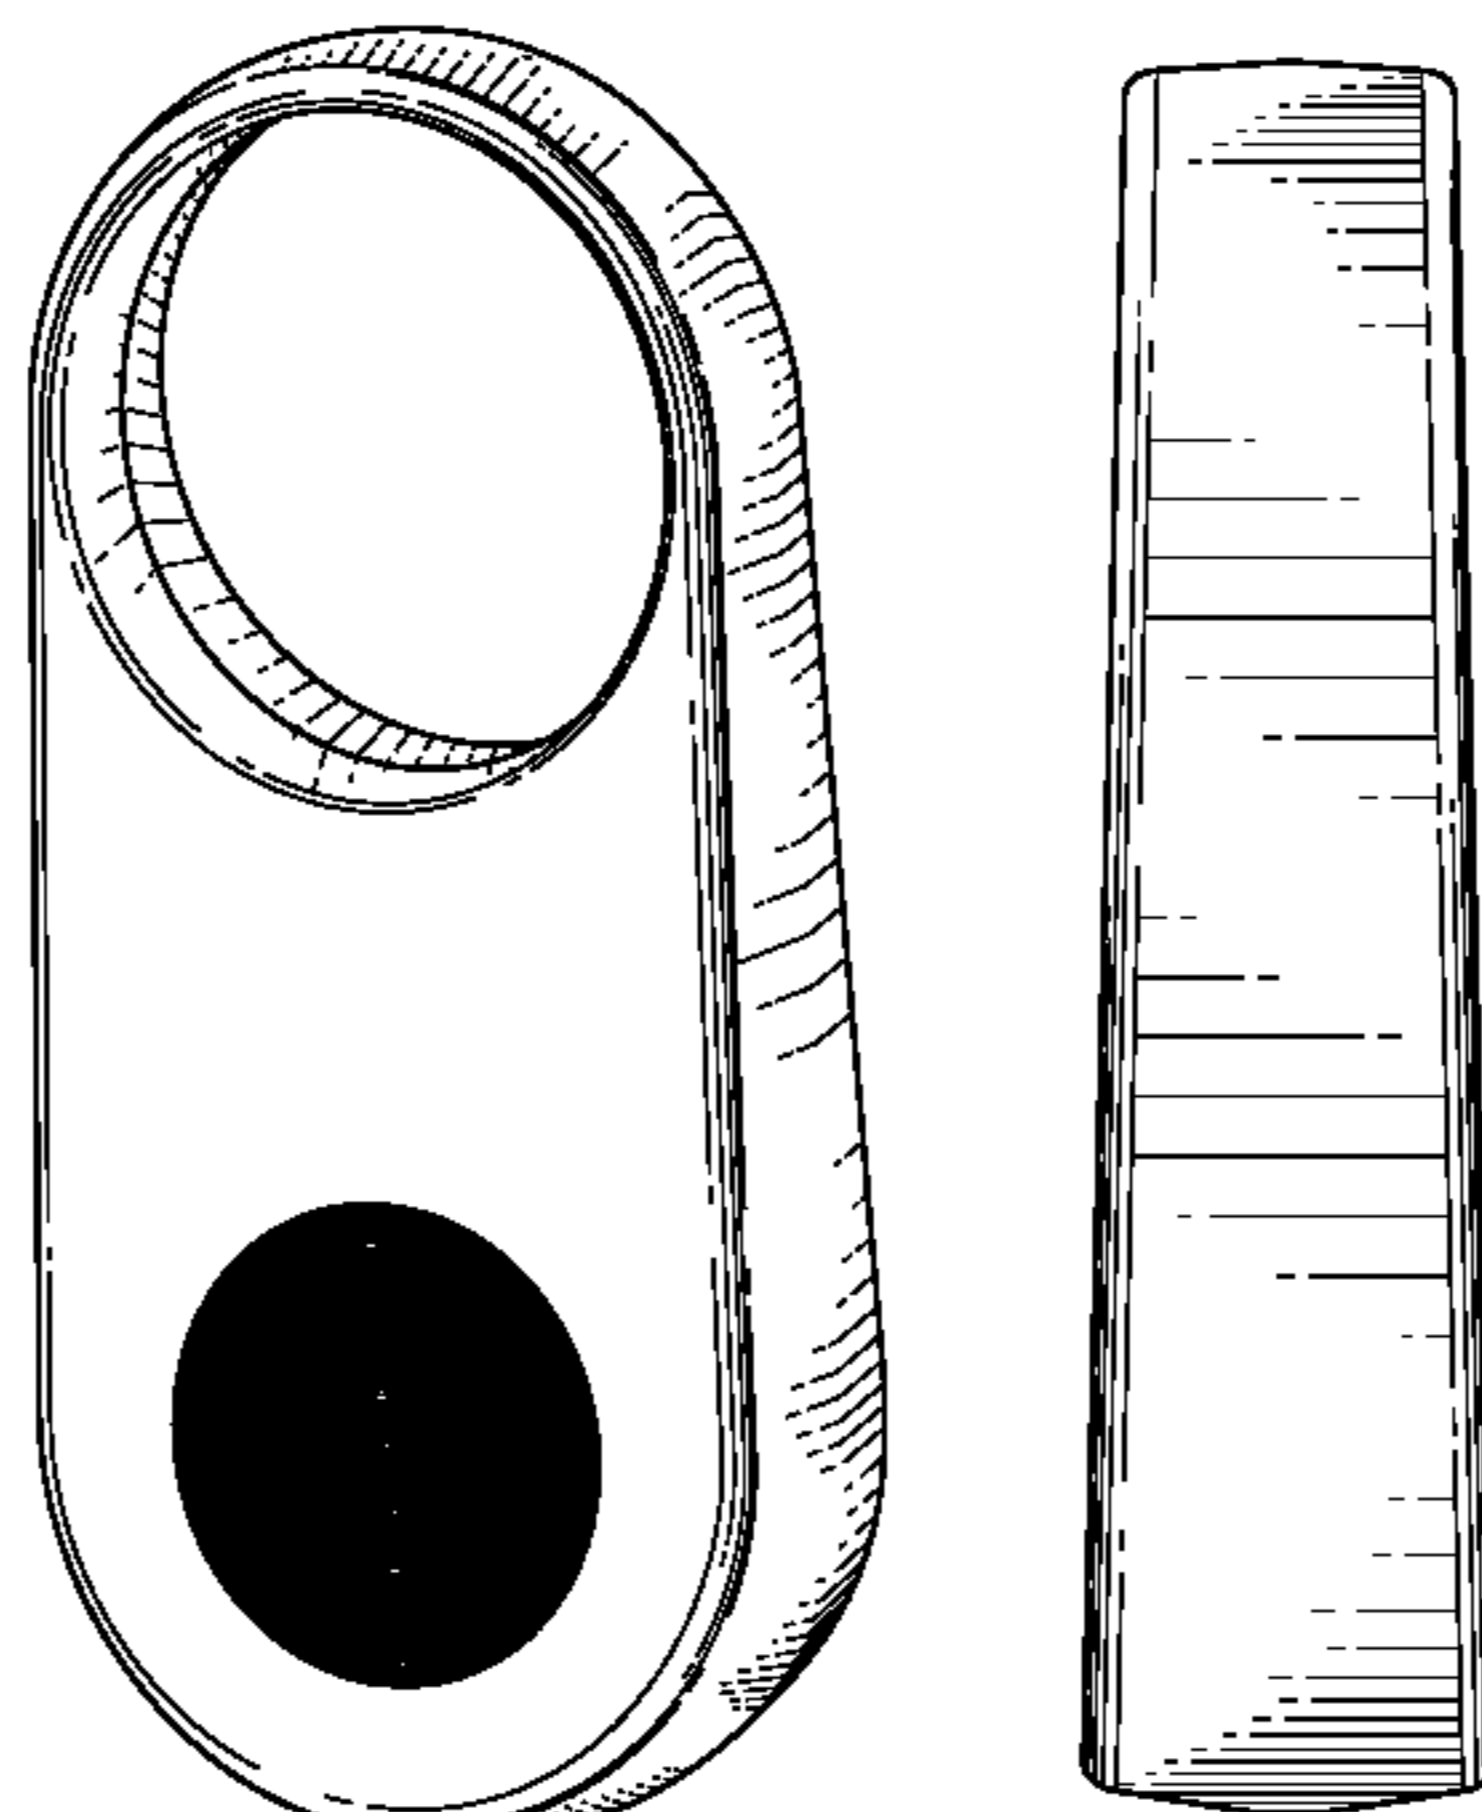

FIG. 6 is a top view of the wearable personal identification device; and,
 FIG. 7 is a bottom view of the wearable personal identification device.
