(57) **CLAIM**

The ornamental design for a lamp, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view of a lamp showing my new design for Embodiment 1, the rear and side elevational views being identical in appearance;

FIG. 2 is a top plan view thereof, the bottom plan view being identical in appearance for Embodiment 1;

FIG. 3 is a front elevational view thereof for Embodiment 1, with the shade portions removed, the broken line disclosure representing portions of the lamp which form no part of the claimed design, and the rear elevational view being identical in appearance; and

FIG. 4 is a top plan view thereof for Embodiment 1, with the shade portions removed, the broken line disclosure representing portions of the lamp which form no part of the claimed design, and the bottom plan view being identical in appearance.

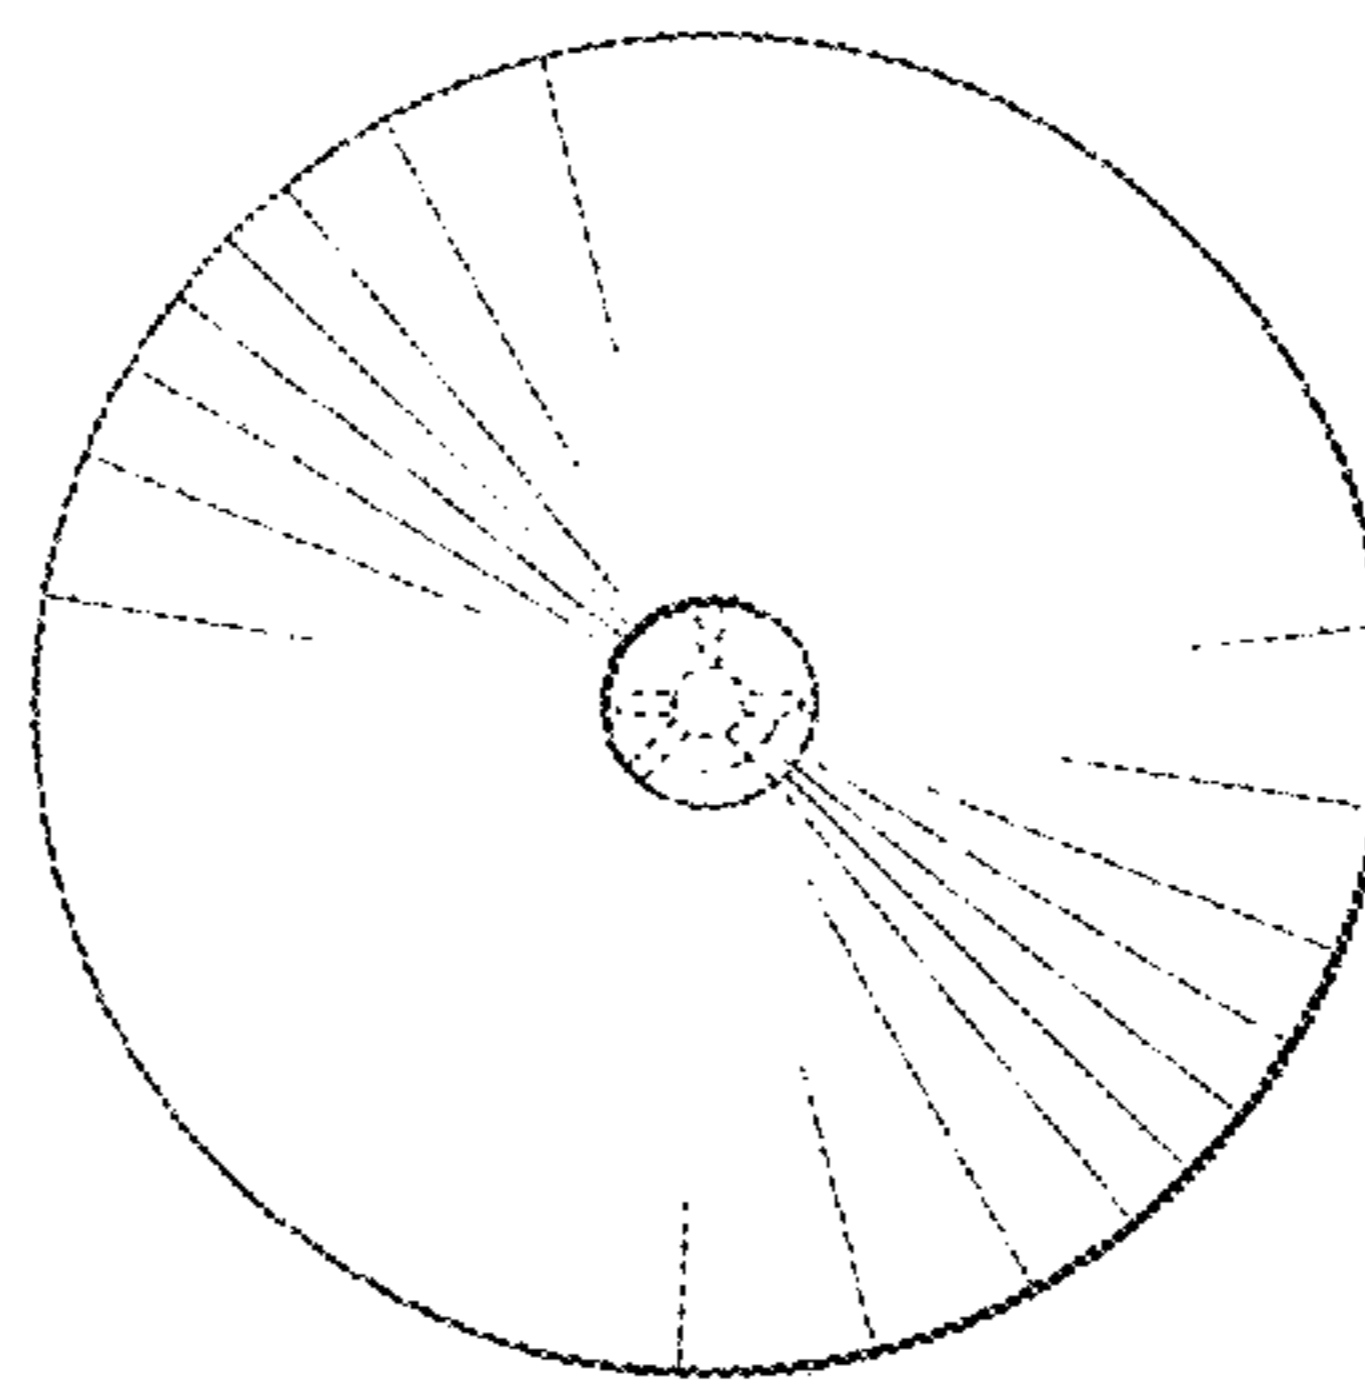

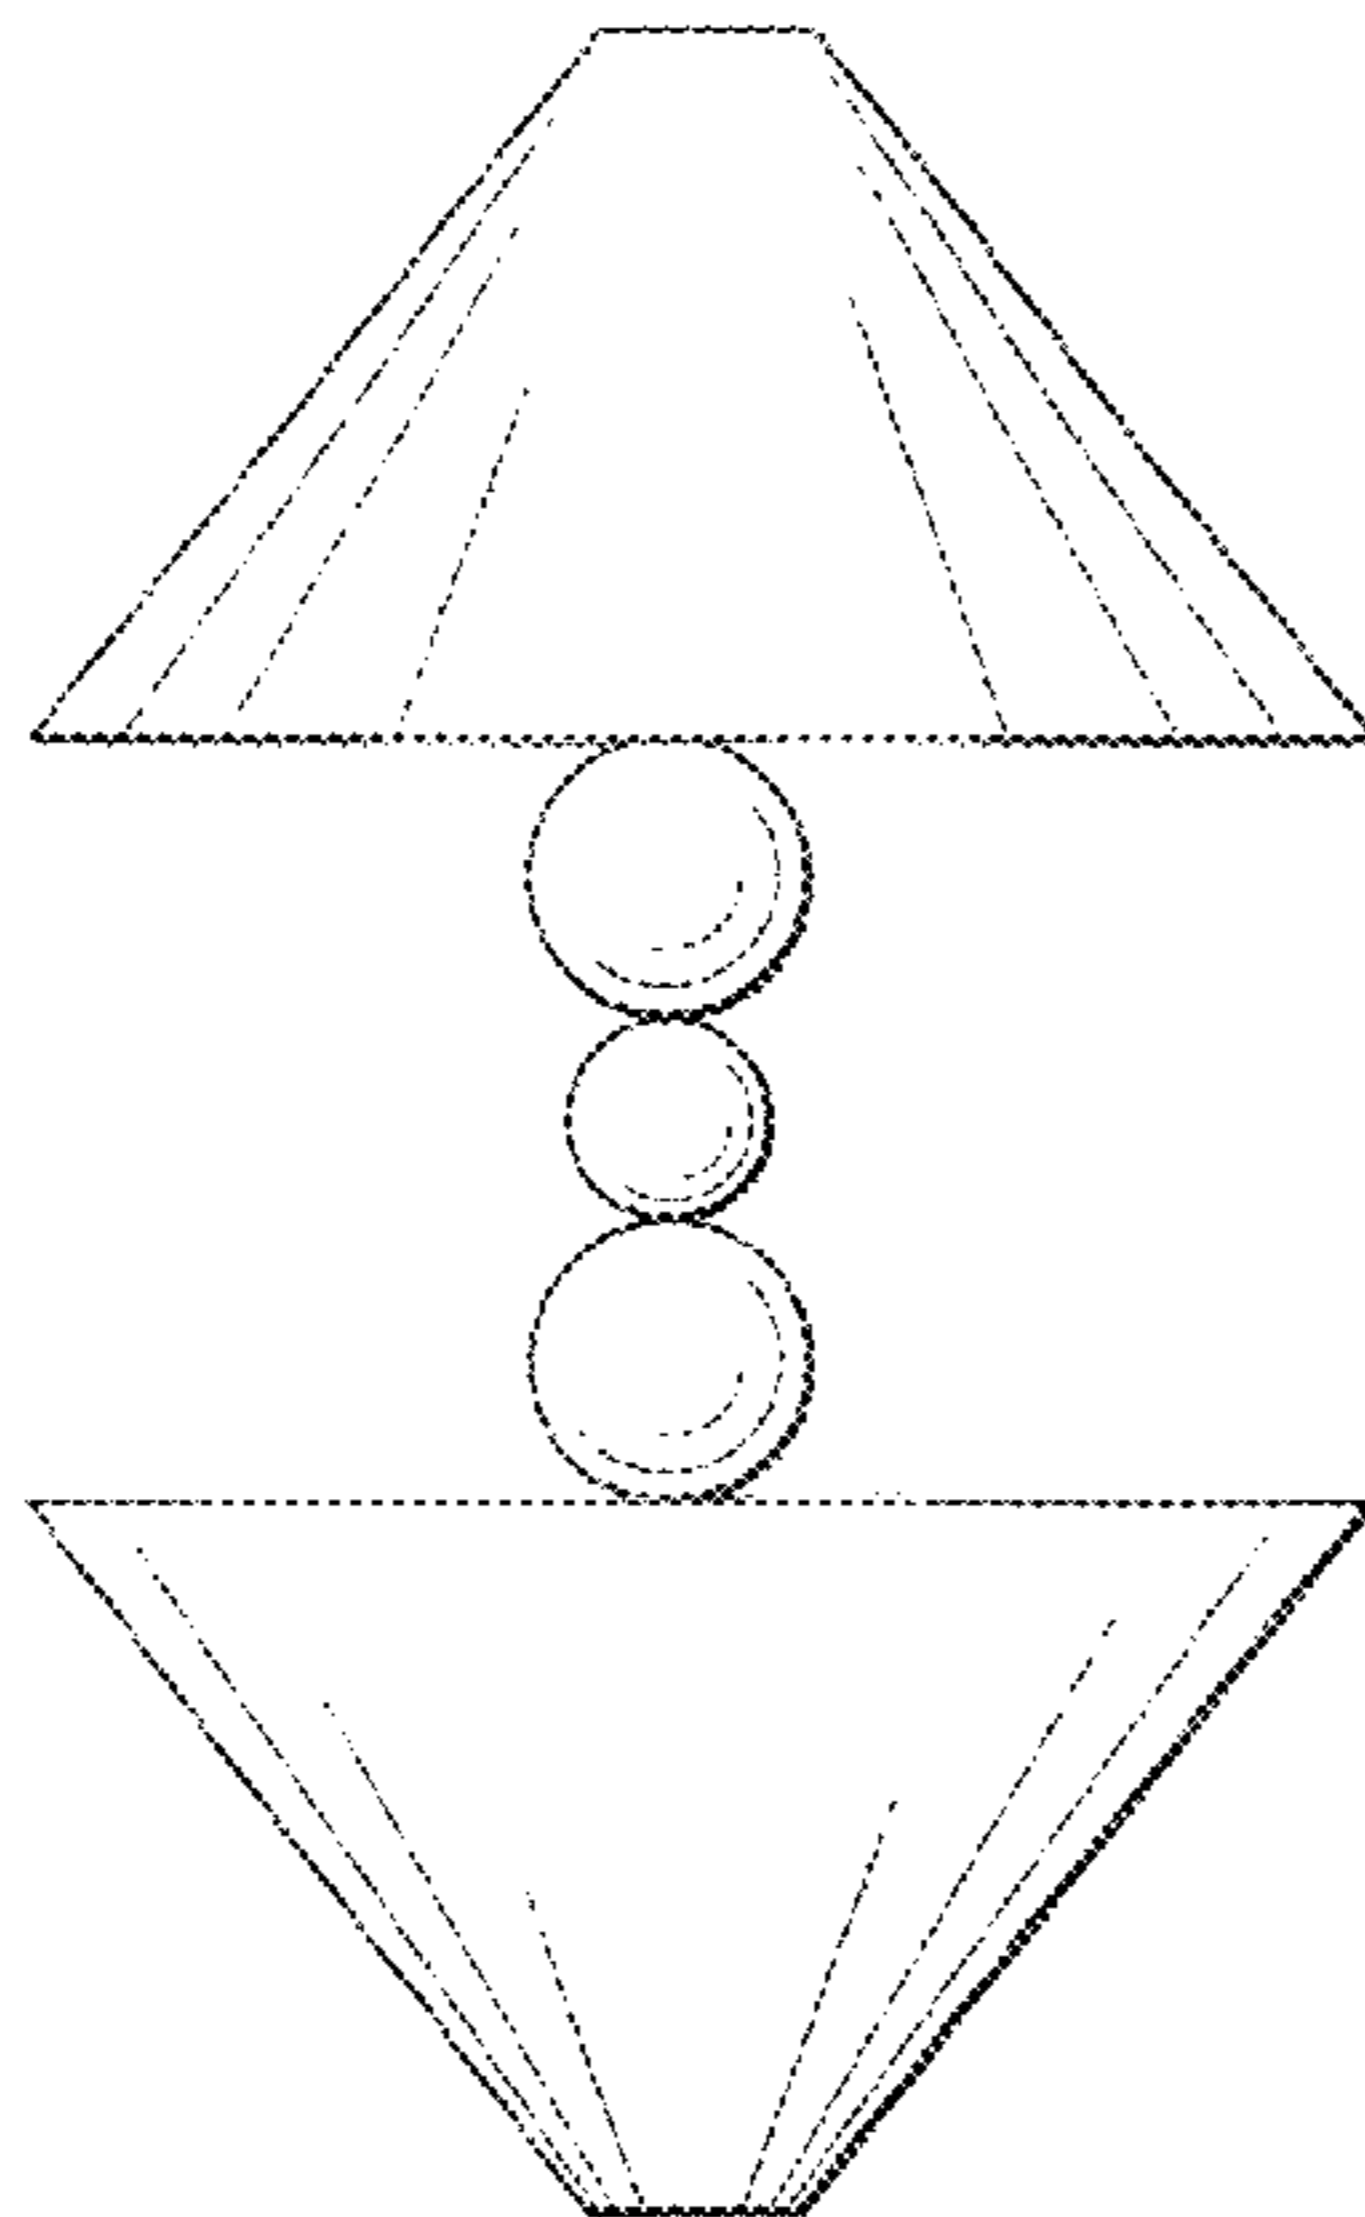

FIG. 5 is a front elevational view of a lamp showing my new design for Embodiment 2, the rear and side elevational views being identical in appearance;

FIG. 6 is a top plan view thereof, the bottom plan view being identical in appearance for Embodiment 2;

FIG. 7 is a front elevational view thereof for Embodiment 2, with the shade portions removed, the broken line disclosure representing portions of the lamp which form no part of the claimed design, and the rear elevational view being identical in appearance; and,

FIG. 8 is a top plan view thereof for Embodiment 2, with the shade portions removed, the broken line disclosure representing portions of the lamp which form no part of the claimed design, and the bottom plan view being identical in appearance.
