(57) **CLAIM**

The ornamental design for a curved light assembly, as shown and described in the Figures.

DESCRIPTION

FIG. 1 is a perspective view of an embodiment of a curved light assembly;

FIG. 2 is a front view of the curved light assembly;

FIG. 3 is a back view of the curved light assembly;

FIG. 4 is a first side-view of the curved light assembly;

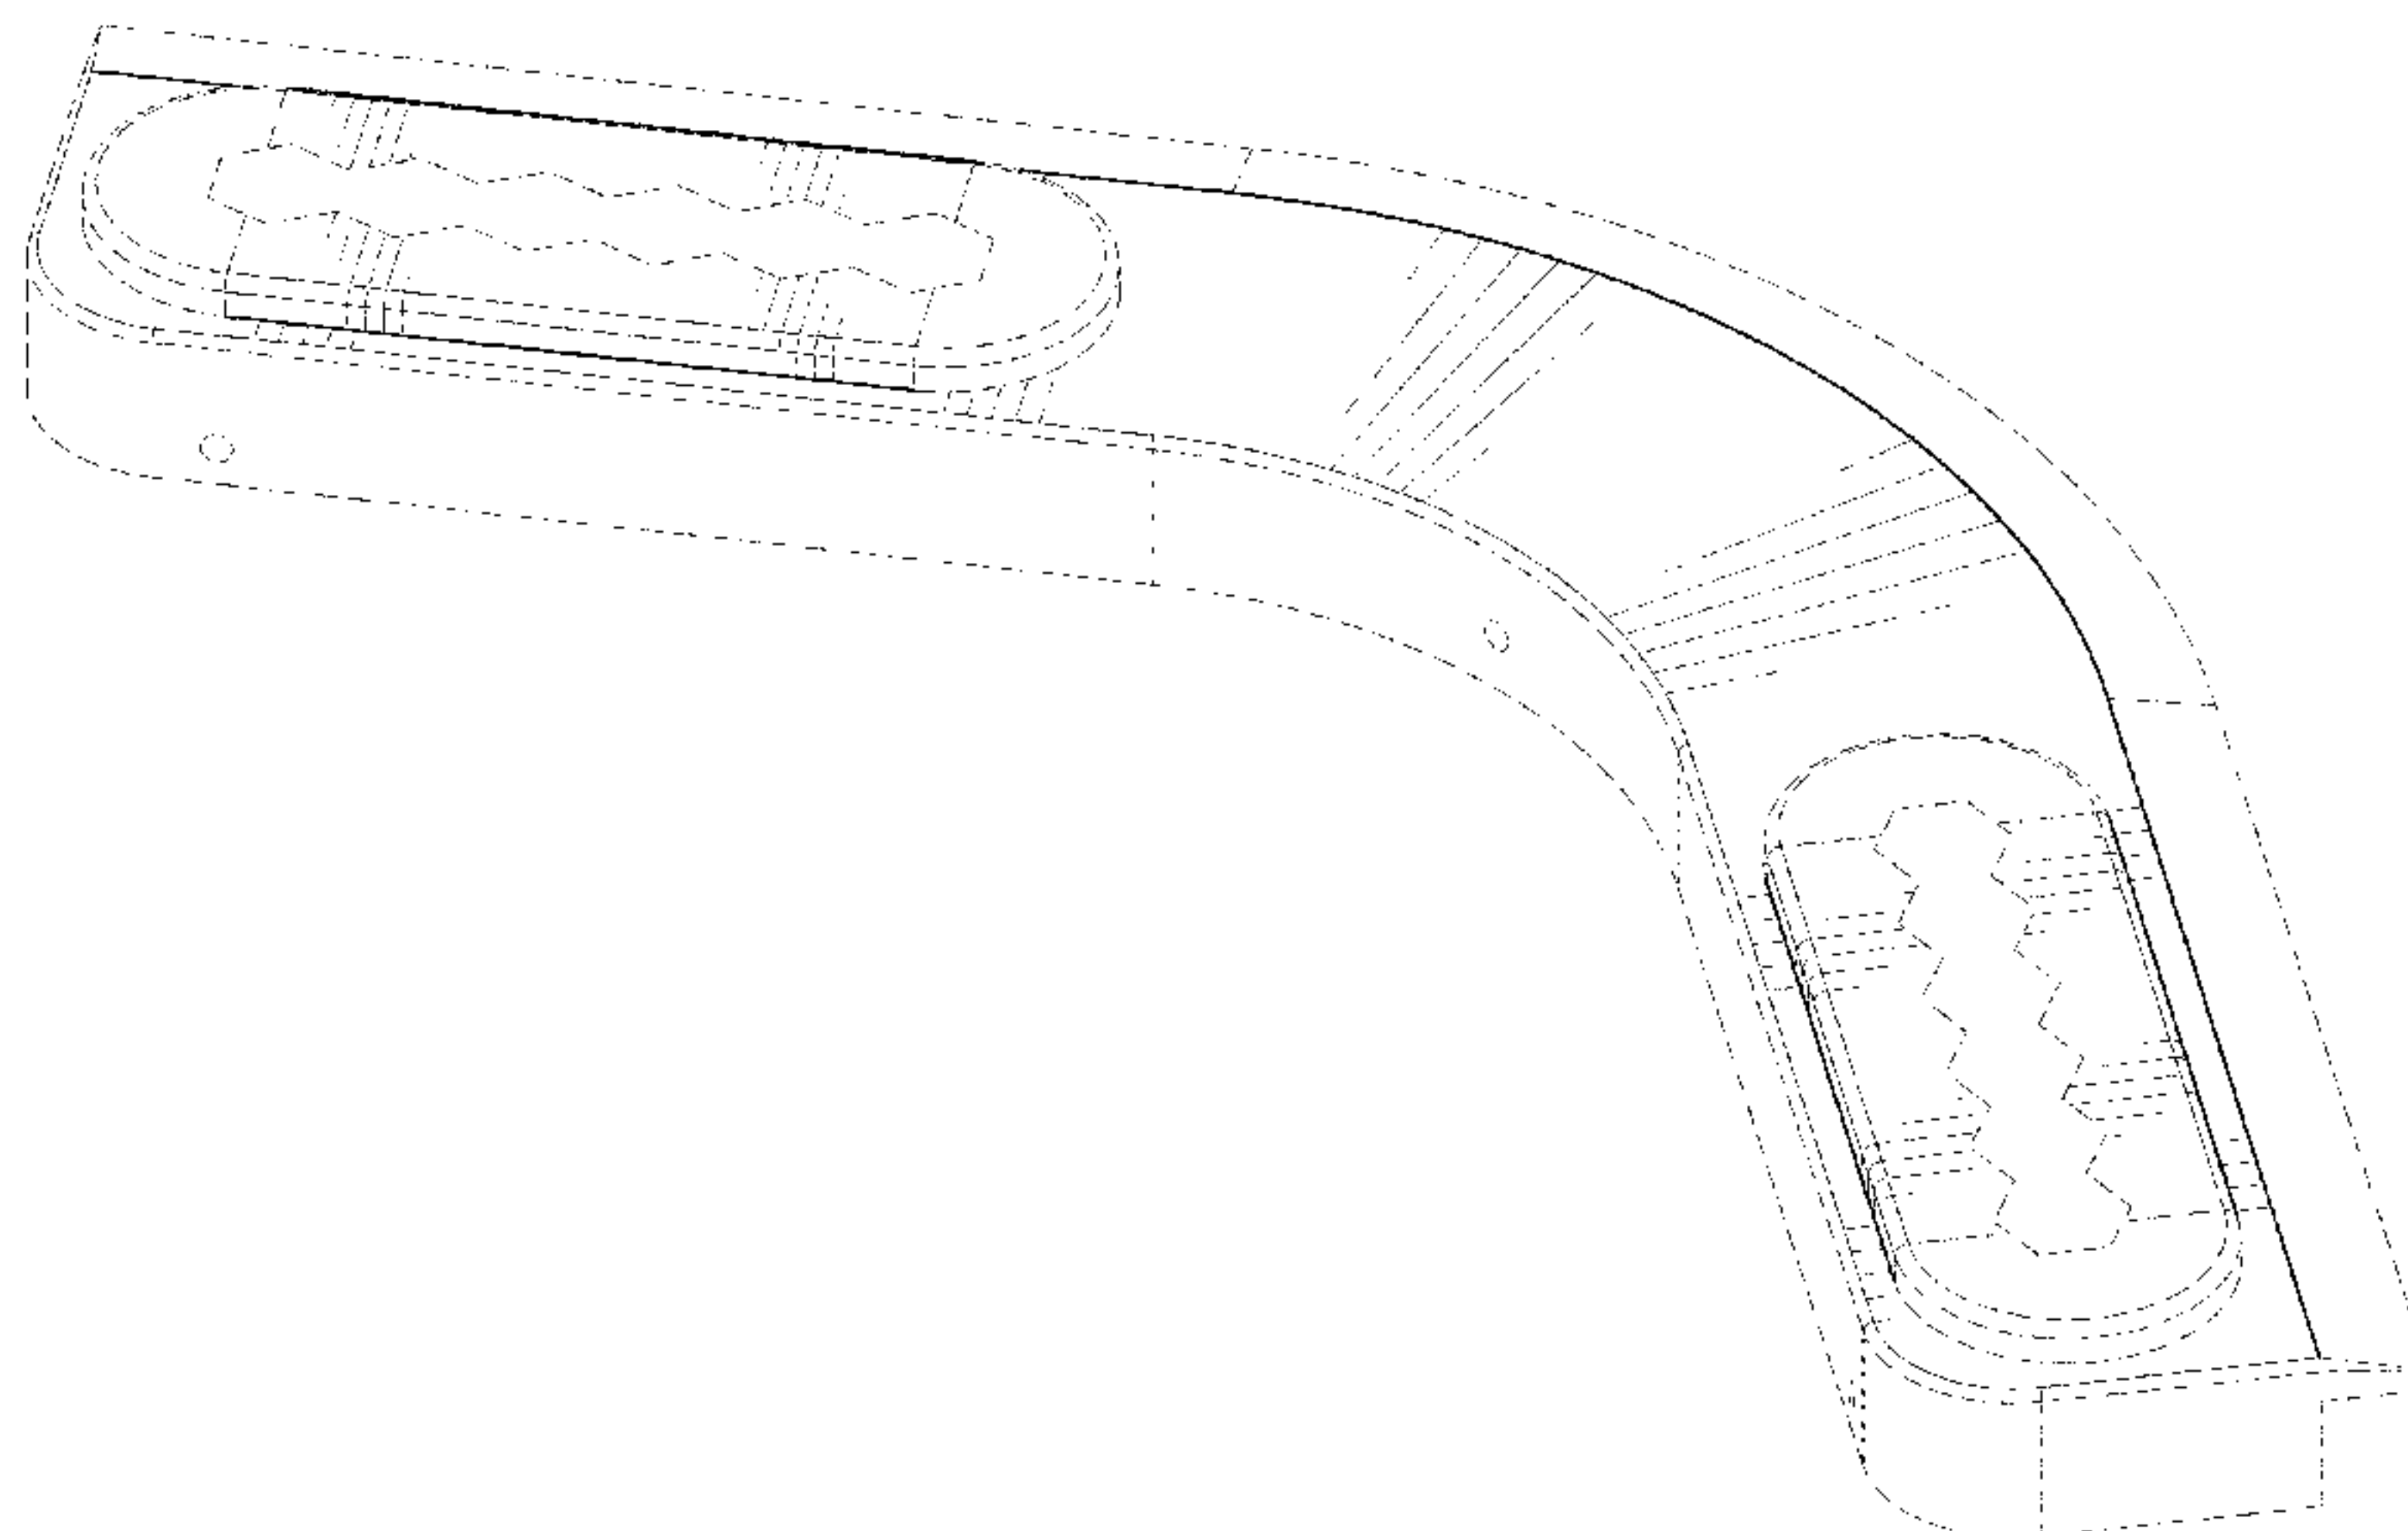

FIG. 5 is a second side-view of the curved light assembly;

FIG. 6 is a third side-view of the curved light assembly; and,

FIG. 7 is a fourth side-view of the curved light assembly.

The broken lines showing parts of the plug assembly are for illustrative purposes only and form no part of the claimed design.

1 Claim, 5 Drawing Sheets
