(57) **CLAIM**

The ornamental design for a measuring card, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a measuring card; FIG. 2 is a rear view of the FIG. 1 card; and, FIG. 3 is a side view of the FIG. 1 card. In one embodiment, the umbrella design shown in FIG. 1 forms no part of the claimed design. Elements shown in dashed line form no part of the claimed design and are provided to show context and/or environment only. FIGS. 1-3 include vertical shading lines intended to illustrate the planar or curved shape of the measuring card, e.g., in FIG. 1 extending between the “4” mark on the 1/8" scale and the “40” mark on the 1/16" scale, and between the “20” mark on the 1/8" scale and the “8” mark on the 1/16" scale. Such shading lines form no part of the claimed design.
