FIG. 1 is a first image in a sequence of a display screen with an animated graphical user interface showing our new design.
FIG. 2 is a second image thereof;
FIG. 3 is a third image thereof;
FIG. 4 is a fourth image thereof;
FIG. 5 is a fifth image thereof;
FIG. 6 is a sixth image thereof; and,
FIG. 7 is a seventh image thereof.
The appearance of the animated user interface sequentially transitions between the images shown in FIGS. 1-7. The process or period in which one image transitions to another forms no part of the claimed design. The dash-dot-dash lines

See application file for complete search history.

(Continued)

in the drawings illustrate a monitor and a display screen which form no part of the claimed design. The evenly-spaced broken lines depict portions of the display screen with an animated graphical user interface that form no part of the claimed design.
