(Continued)

(Continued)

The appearance of the animated images transitions sequentially between the images shown in FIGS. 1-28. The process or period in which one image transitions to another forms no part of the claimed design.

The broken dot-dashed lines showing the portion of the display device and the dash-dash broken lines showing arrows bars, lines and icons are included for the purpose of showing portions of the article and form no part of the claimed design.

1 Claim, 14 Drawing Sheets
