(57) **CLAIM**

The ornamental design for a display card for jewelry or the like, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view showing the front, top, and right side of my new design, in a condition of use with environmental subject matter of jewelry;

FIG. 2 is a perspective view showing the back, bottom and left side of my design, with the environmental subject matter removed for clarity of details;

FIG. 3 is an elevation view showing the front of my design;

FIG. 4 is an elevation view showing the back of my design;

FIG. 5 is an elevation view showing the left side of my design;

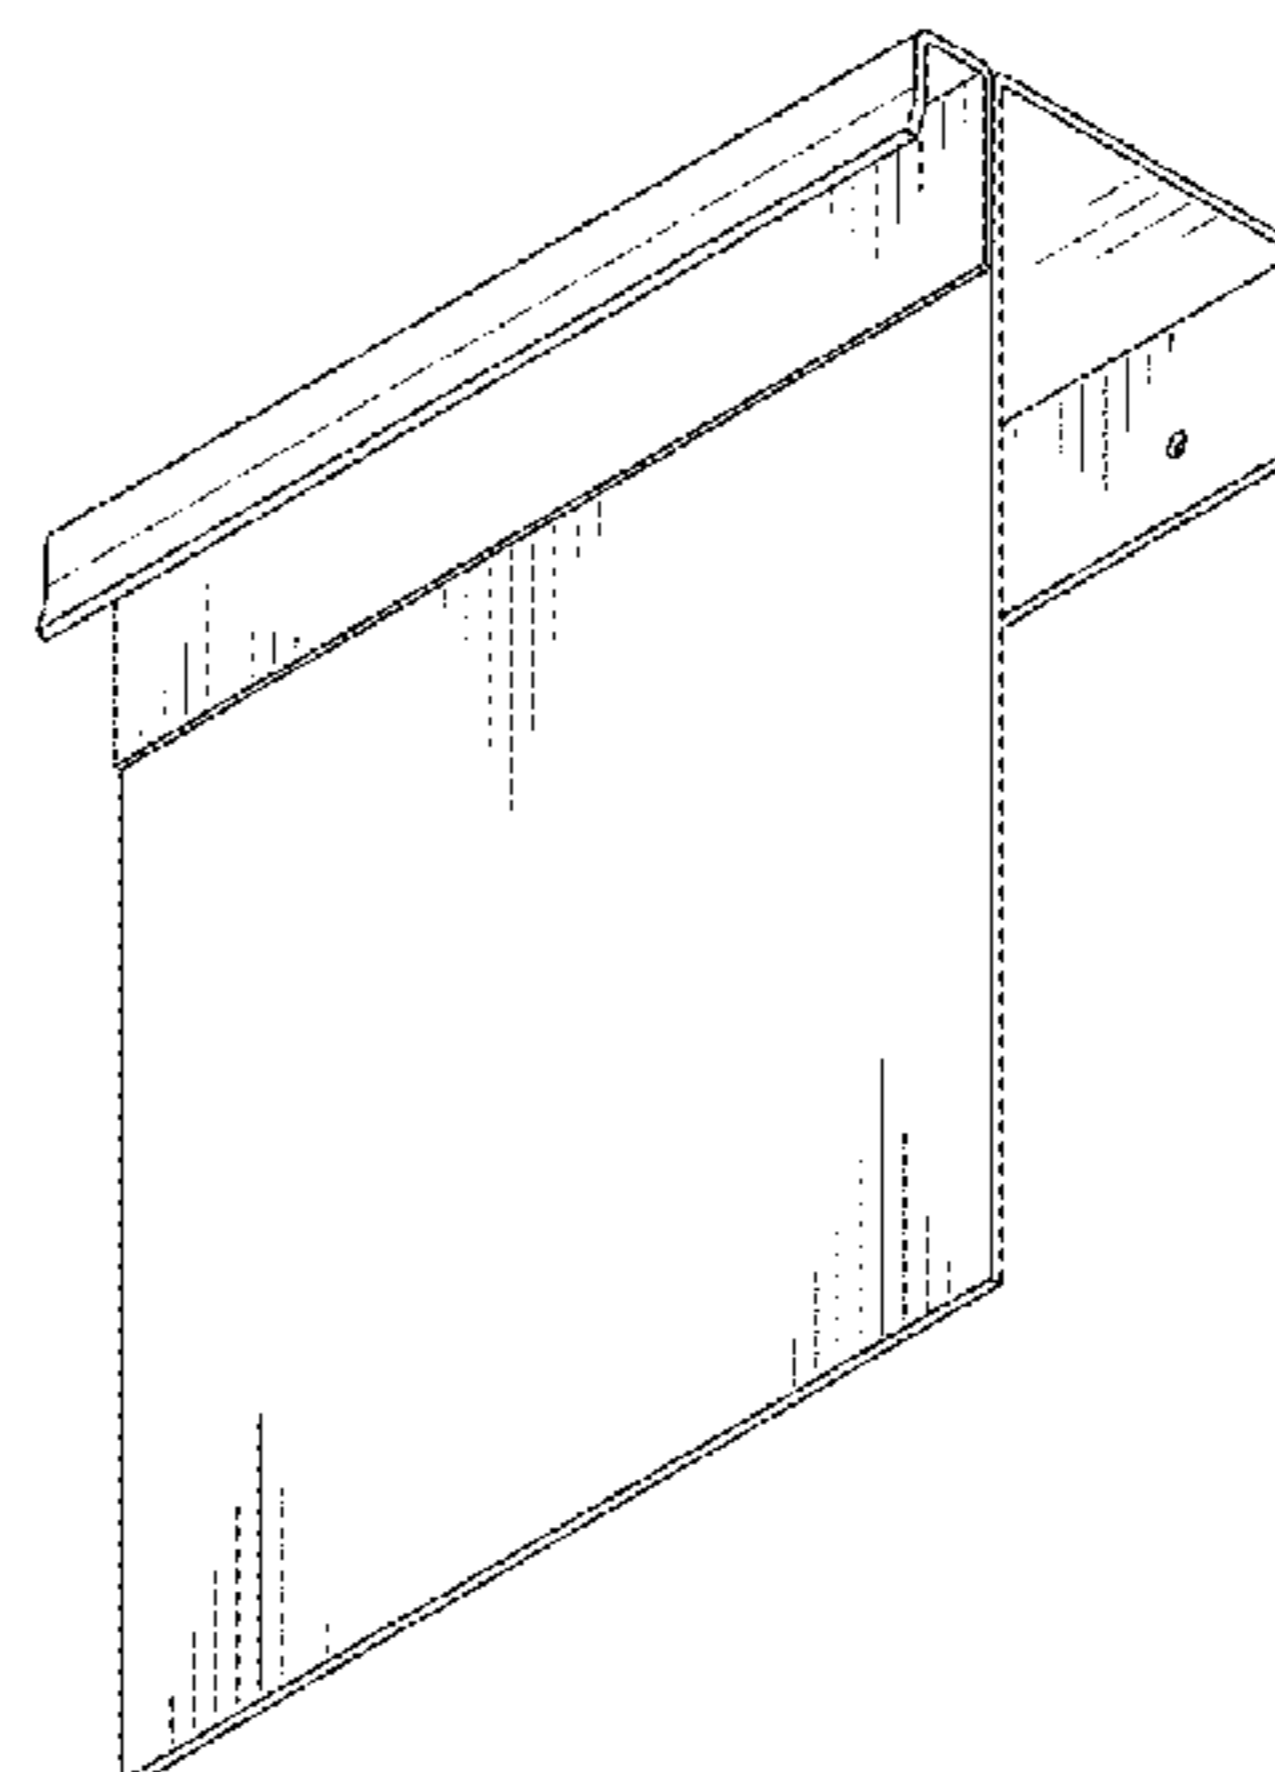

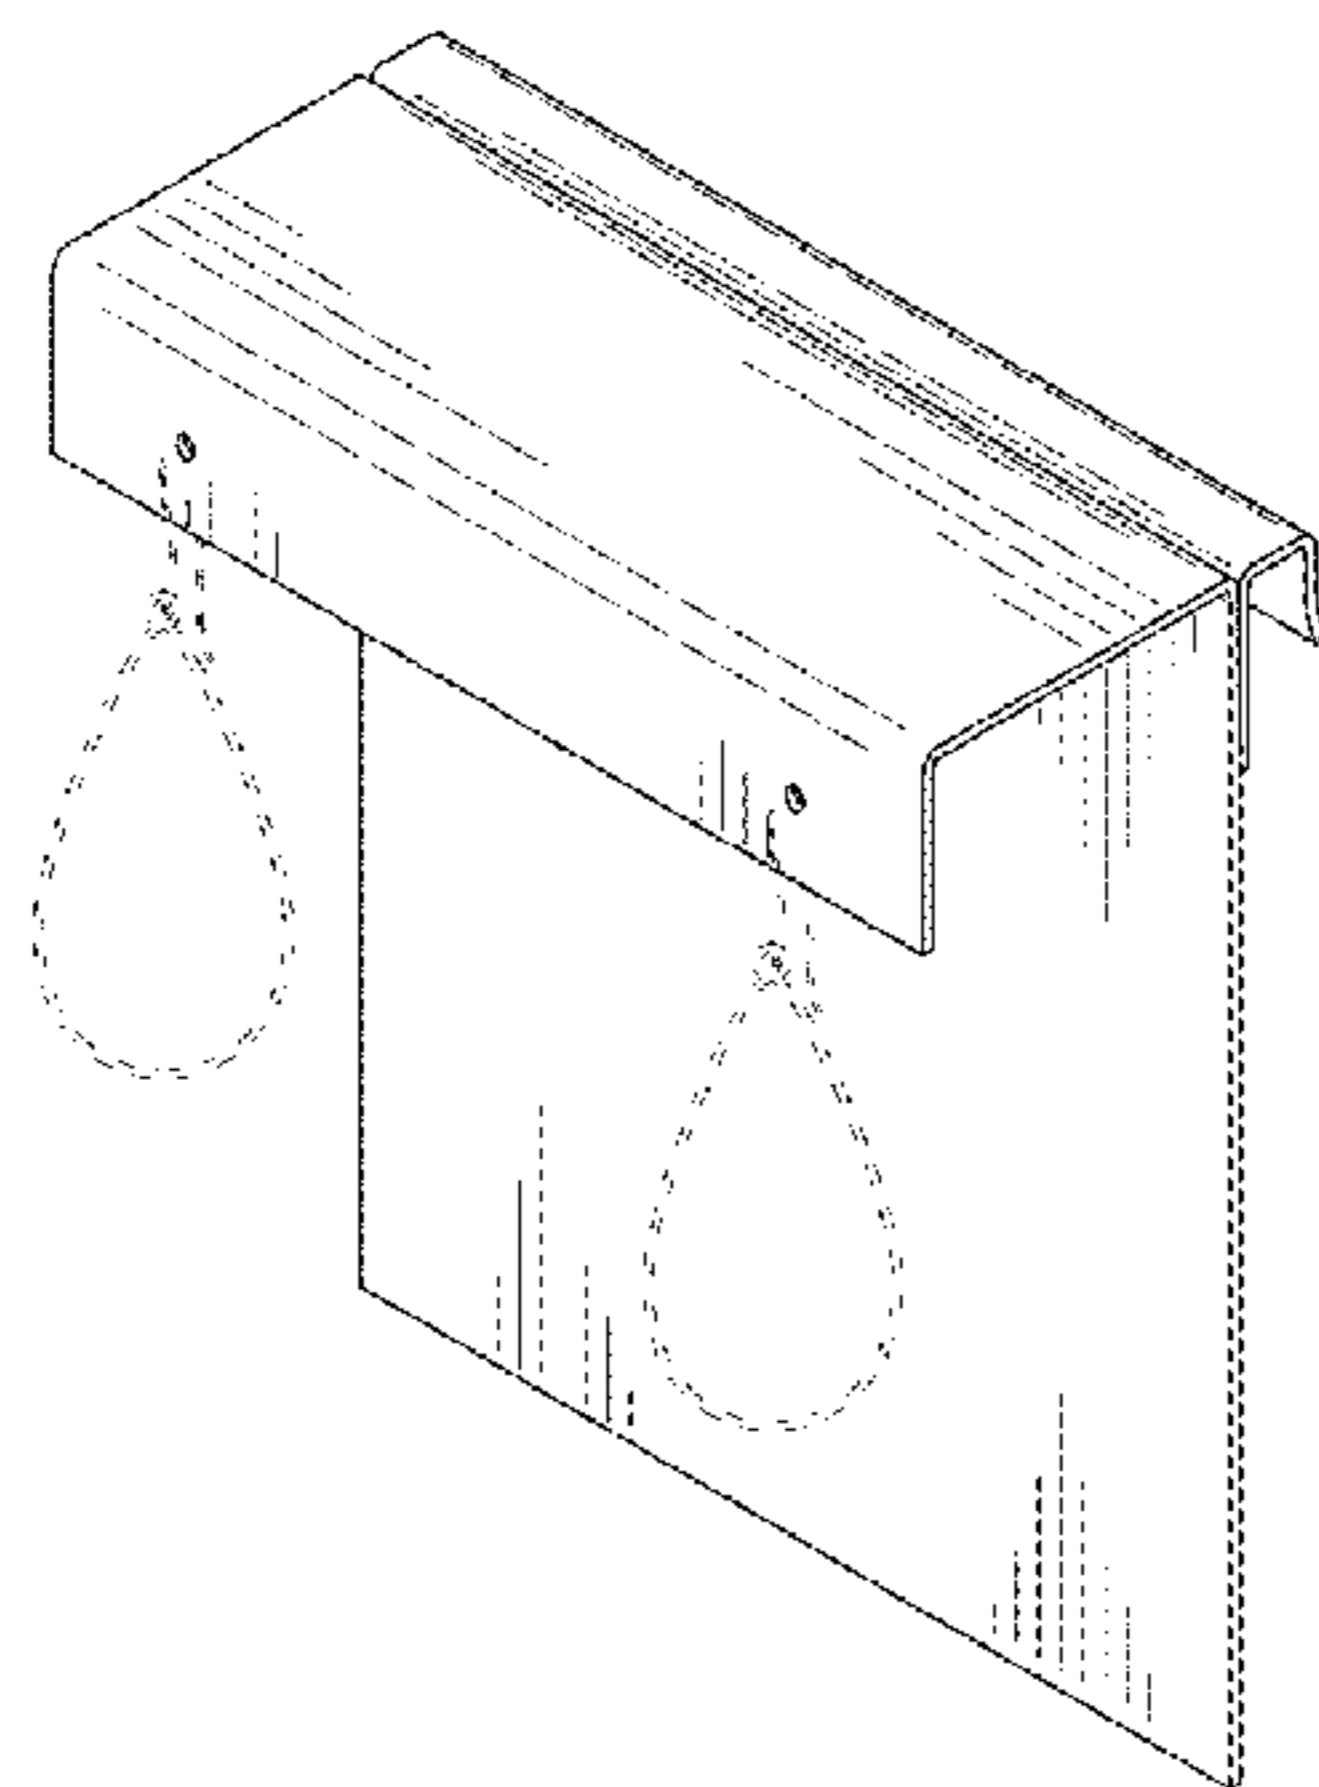

FIG. 6 is an elevation view showing the right side of my design;

FIG. 7 is a plan view showing the top of my design; and,

FIG. 8 is a plan view showing the bottom of my design.

The broken lines are shown for the purpose of illustrating environmental subject matter that forms no part of the claim.
