(57) **CLAIM**

We claim the ornamental design for an electronic display with a graphical user interface, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of an electronic display with a graphical user interface, showing our new design; and, FIG. 2 is an enlarged view of an element of the display with a graphical user interface of FIG. 1.

The outermost broken line showing of the electronic display in FIG. 1 illustrates environmental structure, and forms no part of the claimed design. The broken line showing of the remainder of the graphical user interface in FIGS. 1-2 forms no part of the claimed design. The uneven-length broken line at the periphery of FIG. 2 illustrates an extent of the portion that is enlarged from FIG. 1, and forms no part of the claimed design.

**1 Claim, 2 Drawing Sheets**
