(57) **CLAIM**

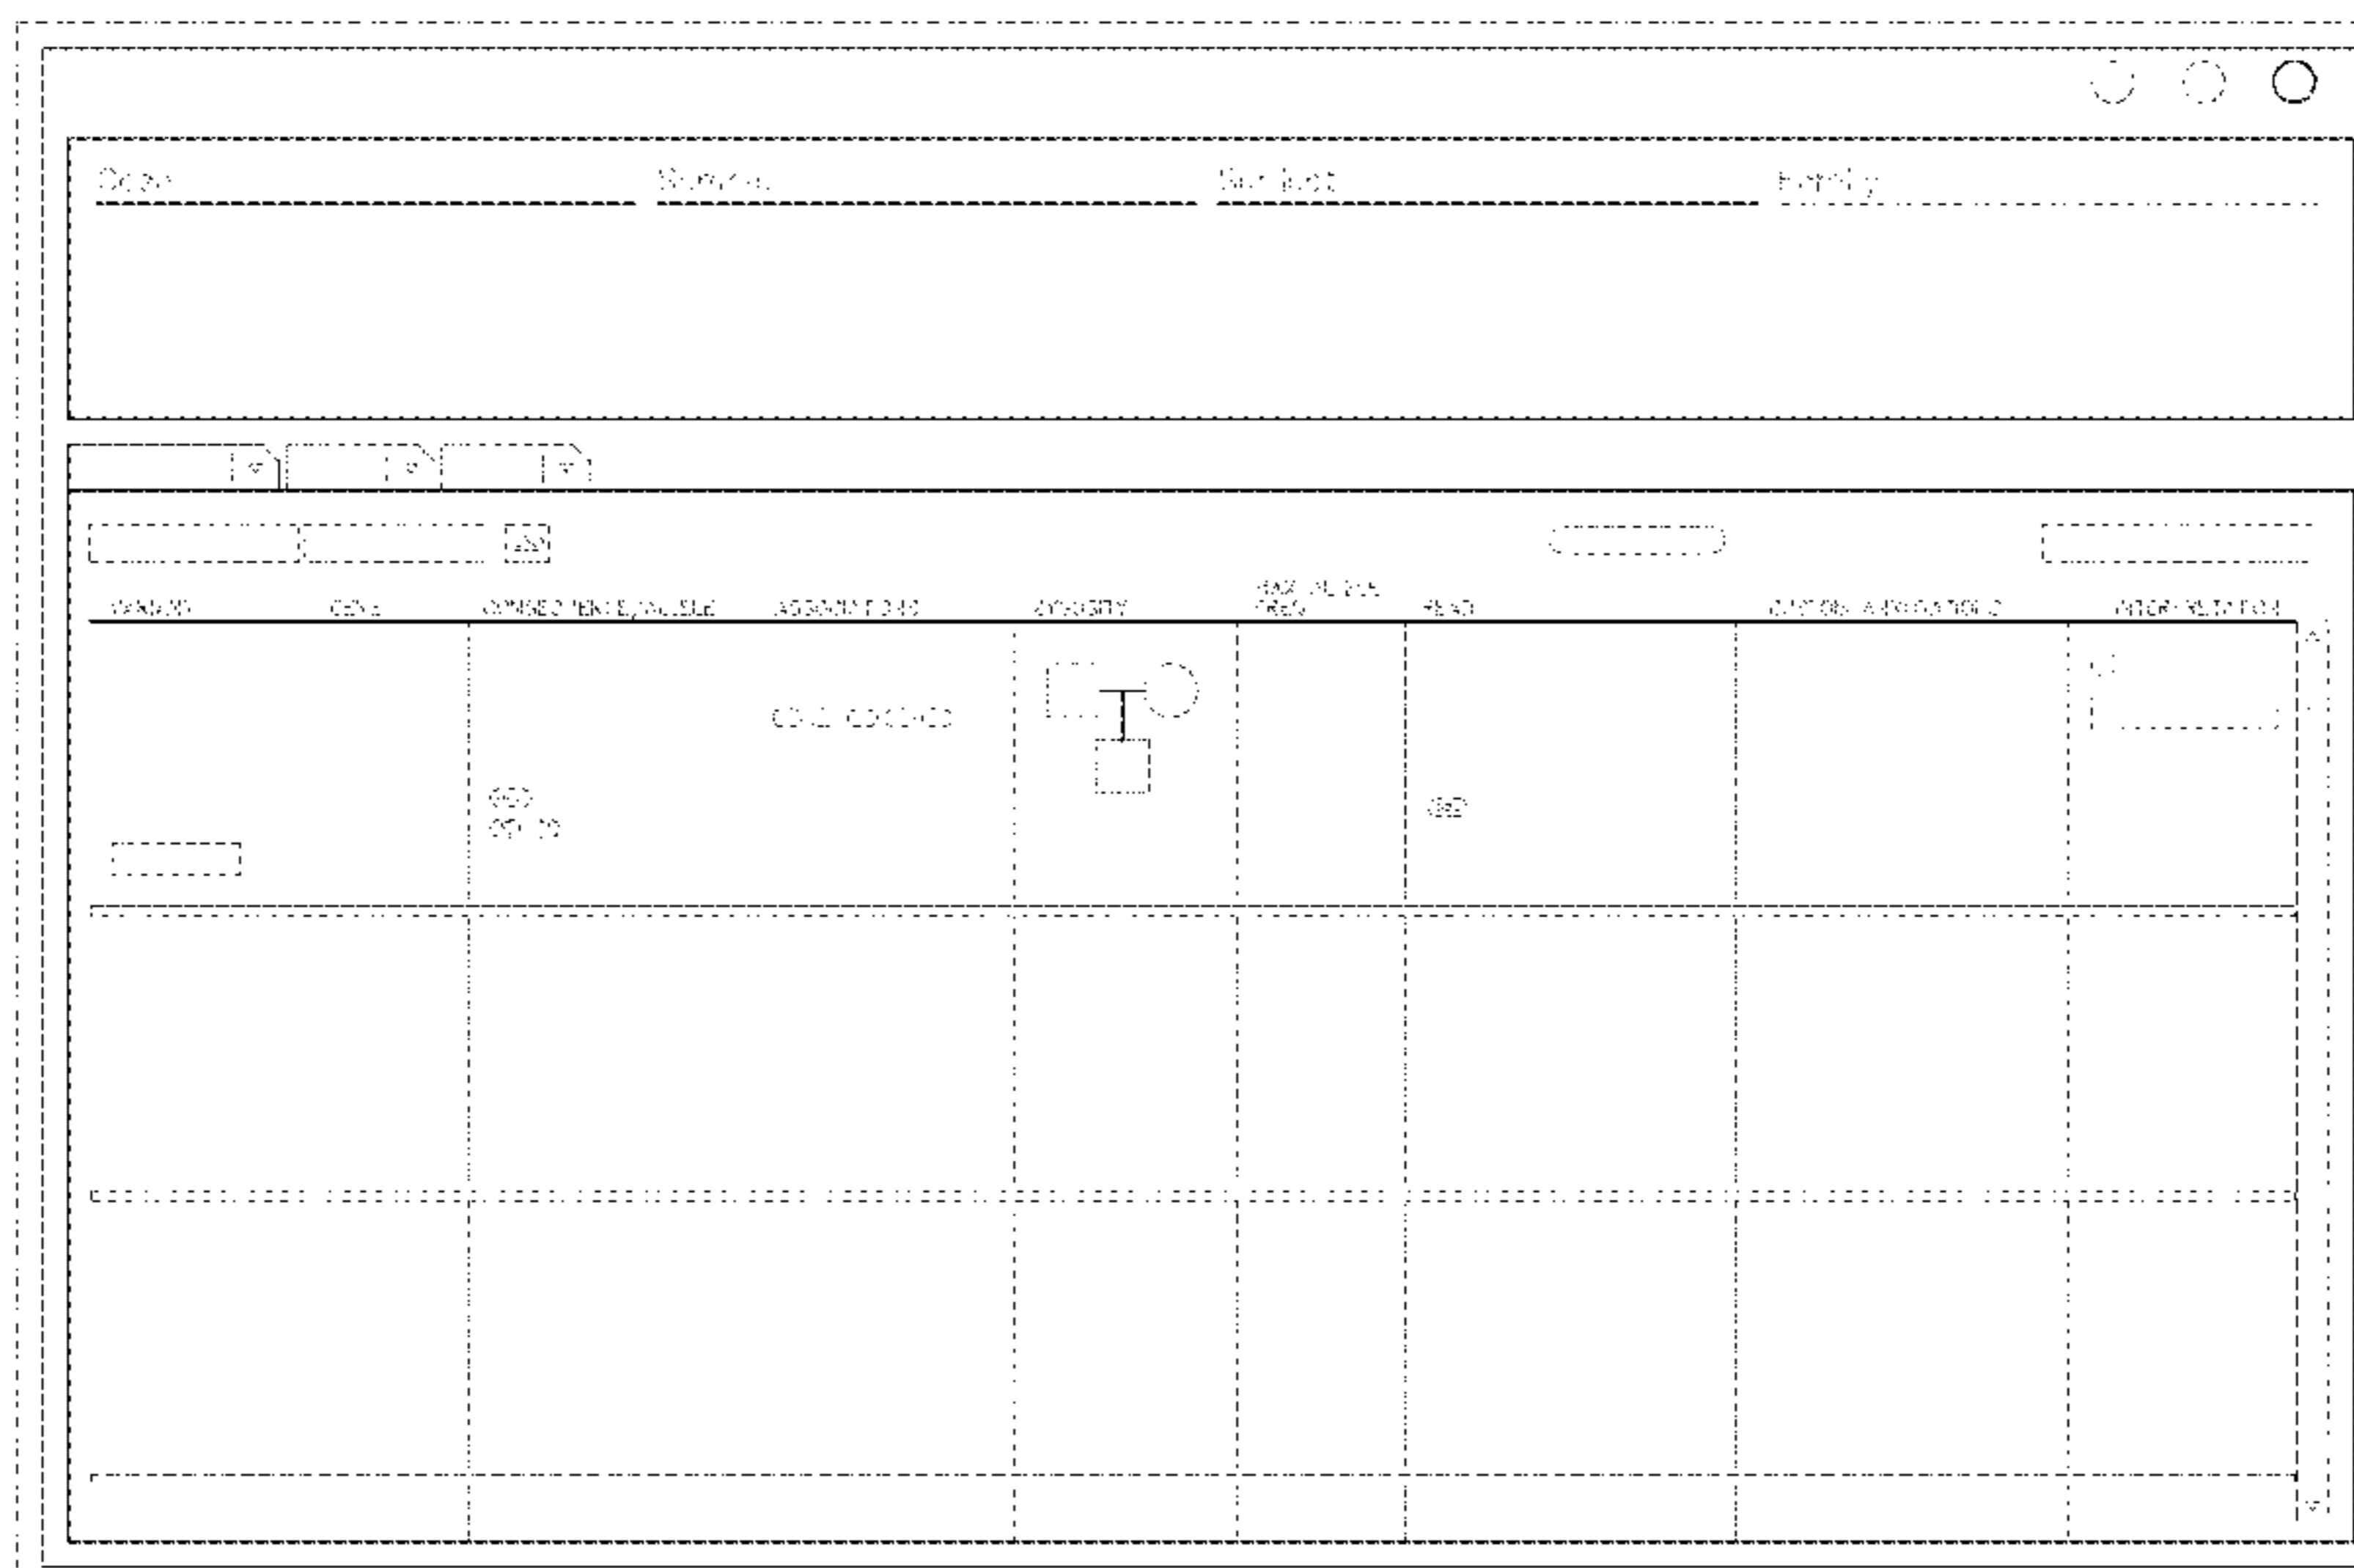

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of an embodiment of a display screen or portion thereof with graphical user interface, in accordance with the present invention.

The outer broken line rectangle showing the display screen or portion thereof, and all other broken lines showing portions of the graphical user interface are included for illustrating portions of the article and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
