(57) **CLAIM**

We claim the ornamental design for an electronic device display with a keyboard graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of an electronic device display with a keyboard graphical user interface showing our new design; and,

FIG. 2 is an enlarged view of a portion of the electronic device display with a keyboard graphical user interface of FIG. 1.

The even-length broken line showing of the remainder of the user interface in FIGS. 1-2 form no part of the claimed design. The even-length broken line showing of the display device in FIG. 1 is for environmental purposes only and forms no part of the claimed design. The uneven-length broken line at the periphery of FIG. 2 illustrates an extent to which that figure is enlarged from FIG. 1, and forms no part of the claimed design.

1 Claim, 2 Drawing Sheets
