(57) **CLAIM**

The ornamental design for a hanger tube for architectural mesh, as shown and described.

DESCRIPTION

FIG. **1** is a top perspective view of a hanger tube for architectural mesh showing our new design.
FIG. **2** is a bottom perspective view thereof.
FIG. **3** is a rear elevational view thereof.
FIG. **4** is a front elevational view thereof.
FIG. **5** is a top plan view thereof.
FIG. **6** is a bottom plan view thereof.
FIG. **7** is a right end elevational view thereof; and,
FIG. **8** is a left end elevational view thereof.
The broken line showing of portions of the hanger tube for architectural mesh illustrates environmental structure and forms no part of the claimed design.
The hanger tube for architectural mesh is shown with a representational break. The appearance of any portion of the hanger tube for architectural mesh between the illustrated break lines forms no part of the claimed design.

1 Claim, 5 Drawing Sheets
