(57) **CLAIM**

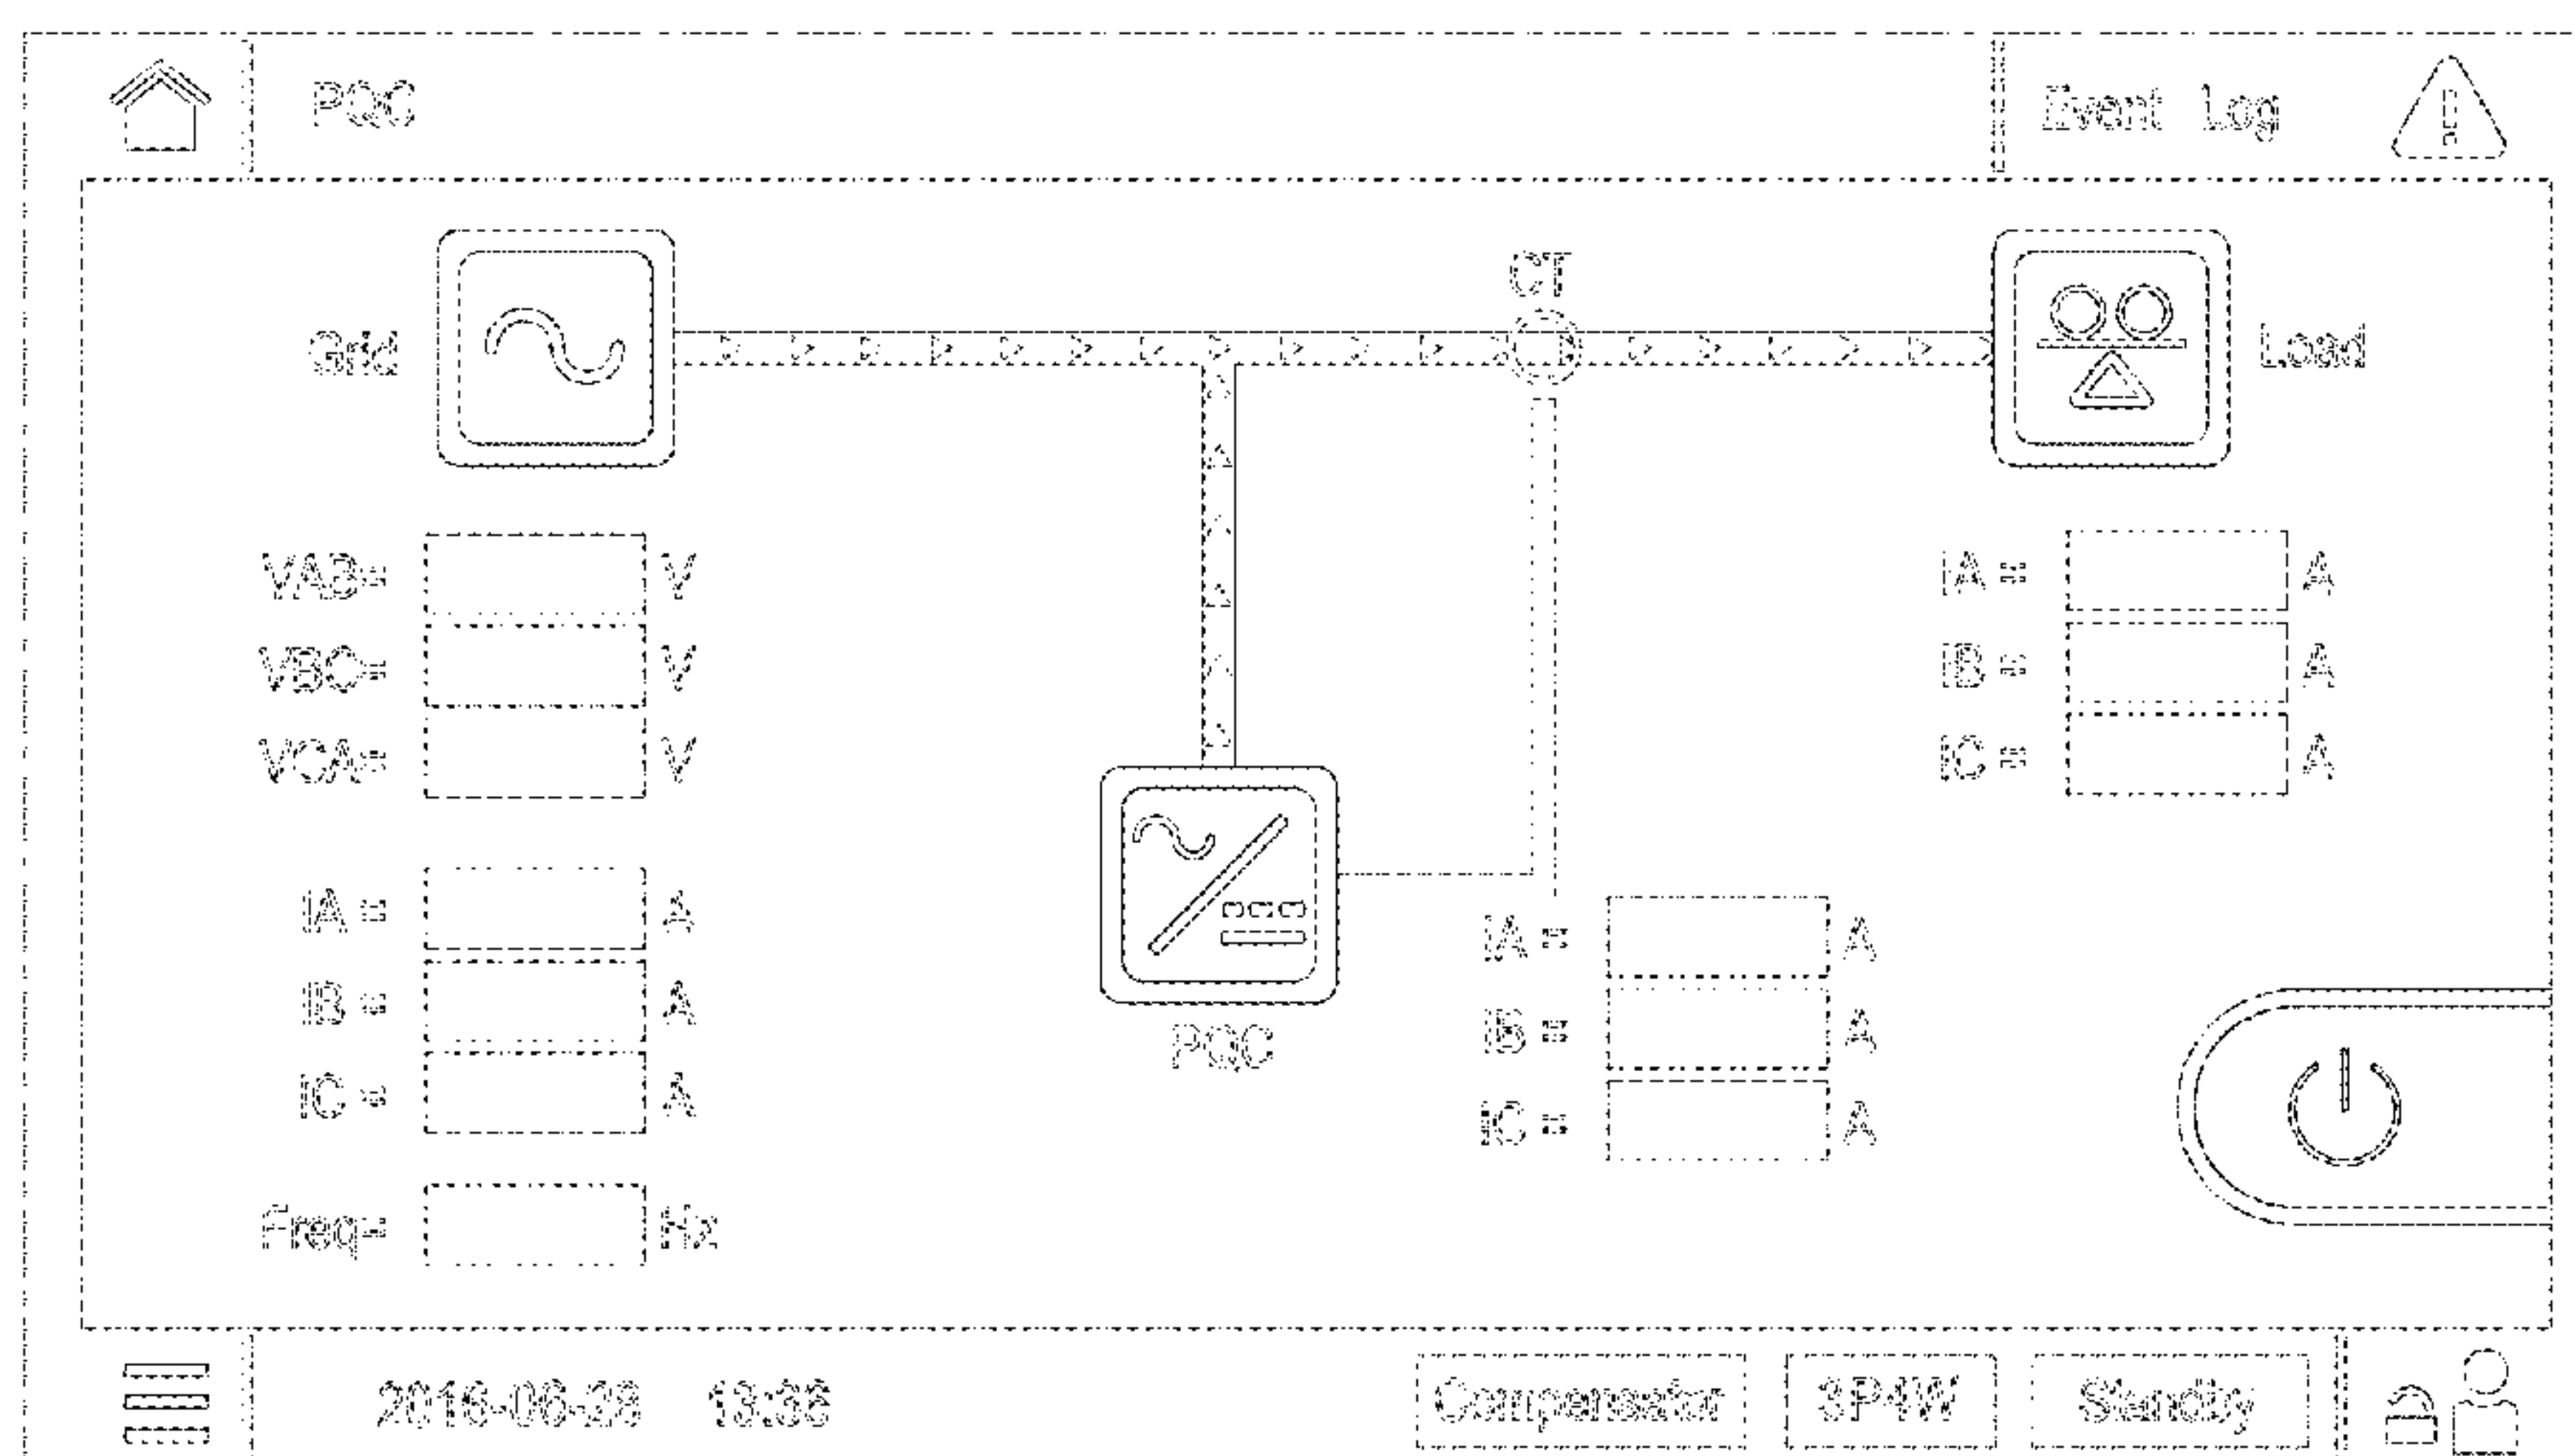

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen with graphical user interface showing our new design.

The dot-and-dash broken line perimeter showing a portion of the display screen is for environmental purpose only and forms no part of the claimed design. The broken line portions in the drawing views are included to show unclaimed subject matter only and form no part of the claimed design.
