(57) **CLAIM**

An ornamental design for an electronic display with a graphical user interface, as shown and described.

**DESCRIPTION**

The patent or application file contains one figure executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The single FIGURE is a front view of an electronic display with a graphical user interface. The broken line showing of the electronic display forms no part of the claimed design.
