(57) **CLAIM**

The ornamental design for a garment, as shown and described.

**DESCRIPTION**

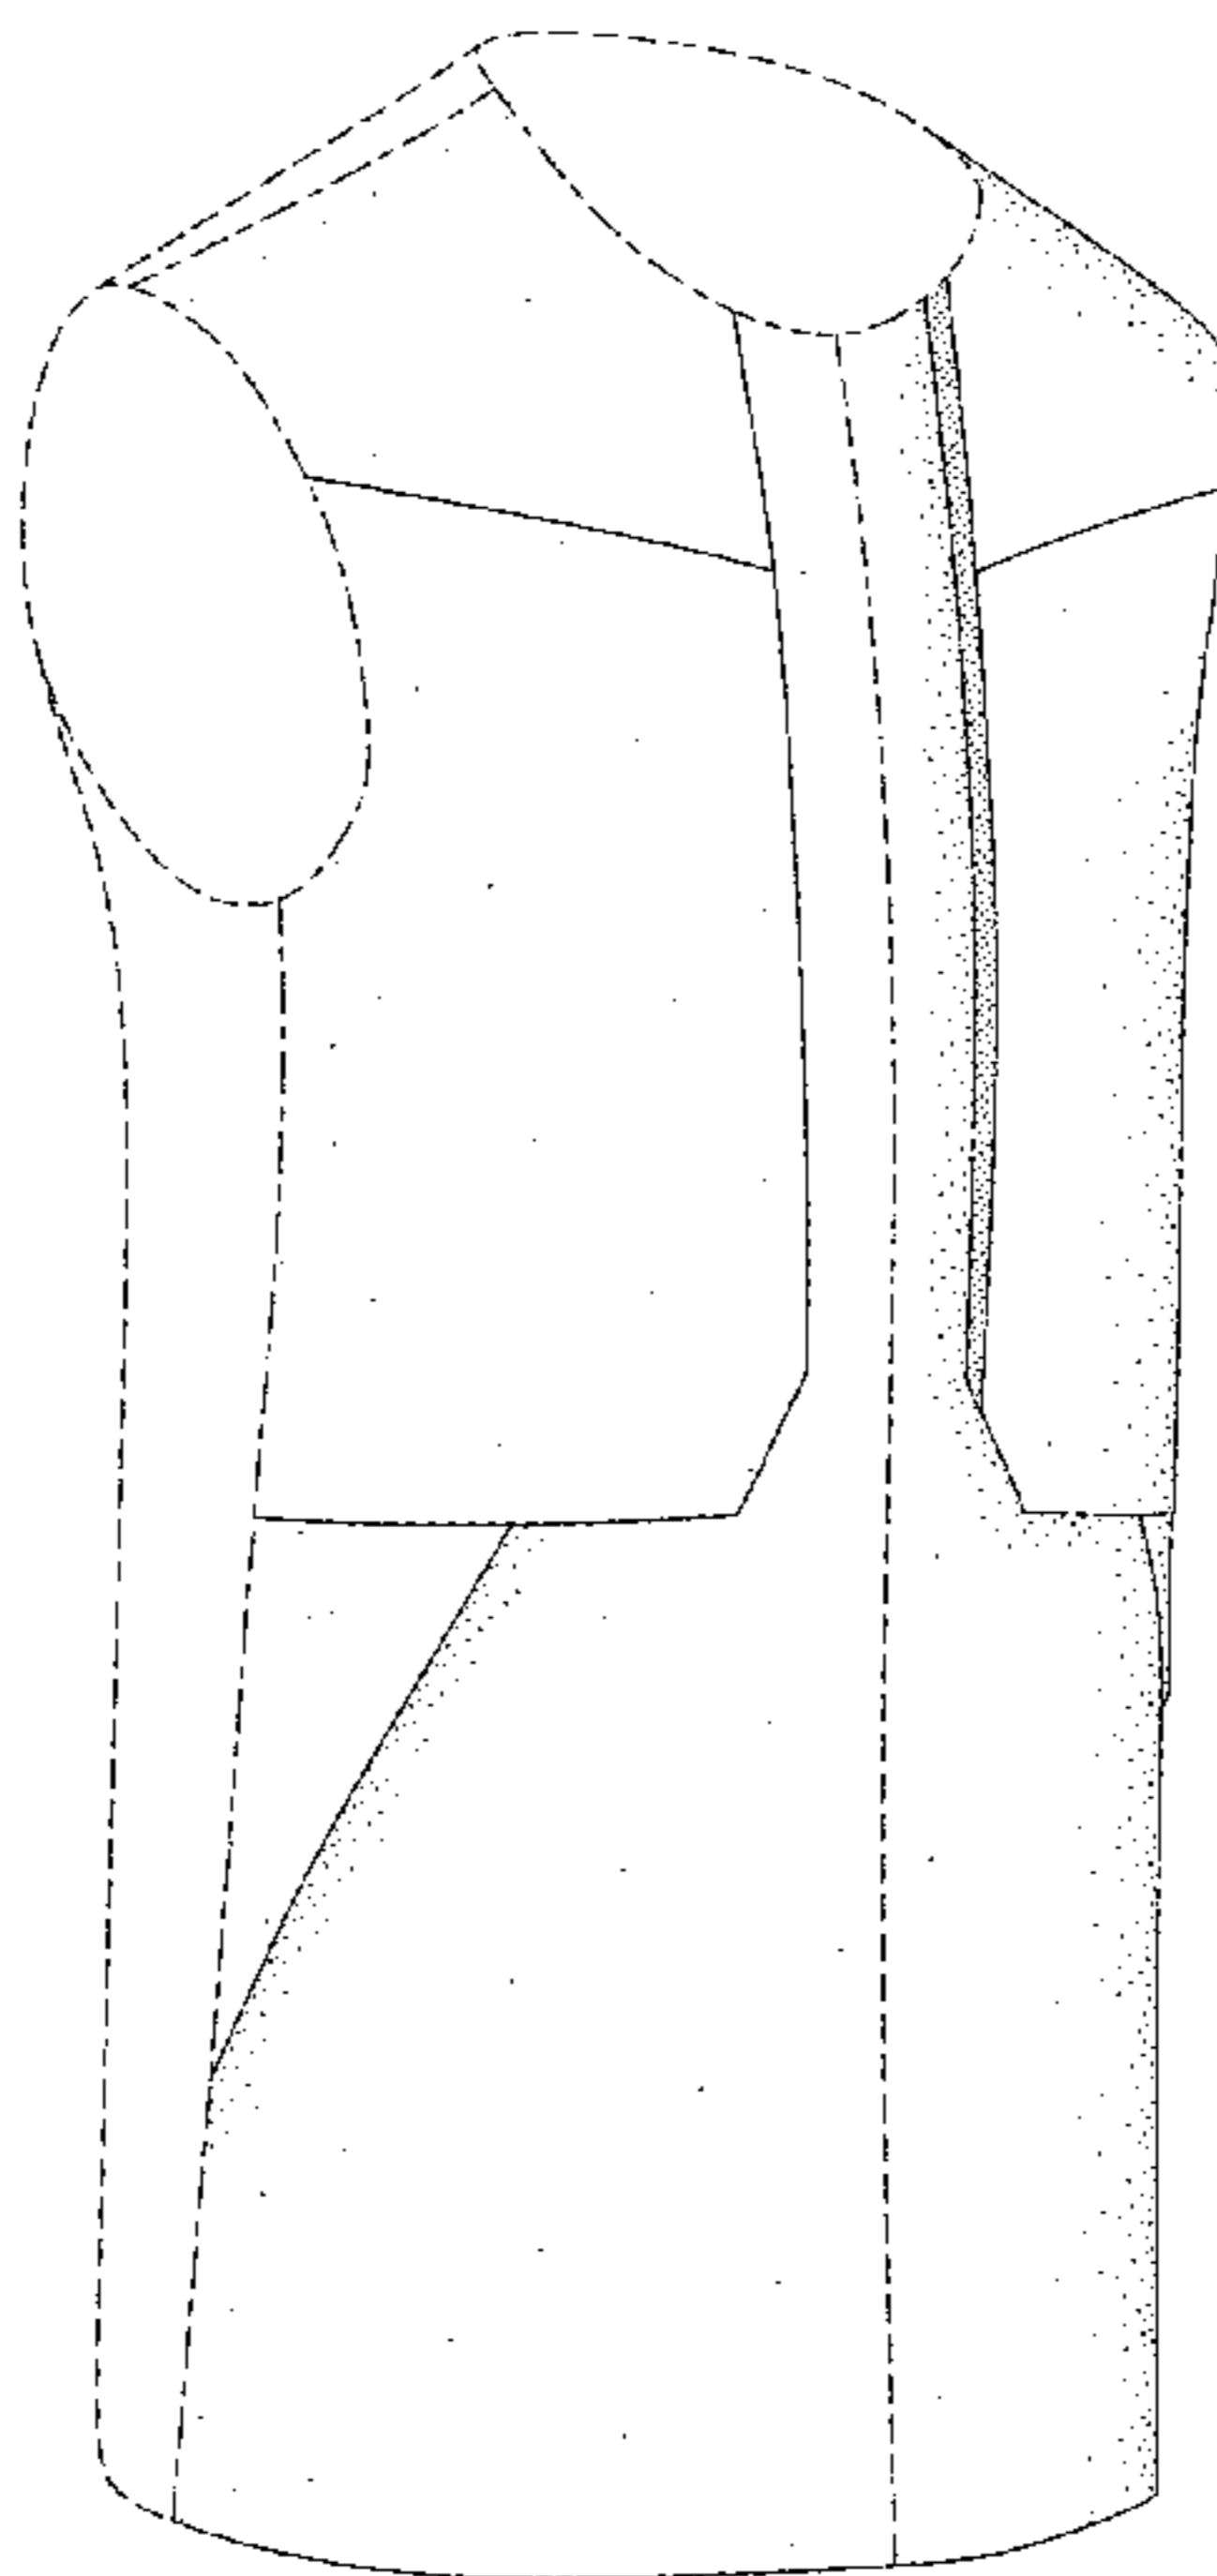

FIG. 1 is a perspective view of a garment showing my new design in an as-worn configuration;  
FIG. 2 is a front view thereof;  
FIG. 3 is a first side view thereof; and,  
FIG. 4 is a second side view thereof.

The long and short broken lines are unclaimed boundaries of the claimed design. It is understood that the claimed design extends to these boundaries but does not include the boundaries.

The even broken lines shown in the drawings are directed to environment, are for informational purposes only, and form no part of the claimed design. In addition, the unshaded regions, demarcated by the evenly spaced broken lines, represent unclaimed portions of the garment and form no part of the claimed design.

The contrast in shading within the claimed boundary represents a contrast in appearance only and does not represent any particular color, material, texture or finish.
