DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a first embodiment of a display screen with graphical user interface;

FIG. 2 is a second embodiment of a display screen with graphical user interface; and,

FIG. 3 is a third embodiment of a display screen with graphical user interface.

The broken lines showing the remainder of the graphical user interface and display screen are for environmental purposes only and form no part of the claimed design.
