(57) **CLAIM**

The ornamental design for a display screen or portion thereof with icon, substantially as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front view of a display screen or portion thereof with icon; and,

FIG. 2 is a second embodiment thereof.

The broken lines in the drawings illustrate a display screen or portion thereof and does not form part of the claimed design. The specific appearance and arrangement of the elements forming the icon form a part of the claimed design.
