(57) **CLAIM**

The ornamental design for a portable device charging station, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the portable device charging station of the present invention;
FIG. 2 is a front elevational view of the invention shown in FIG. 1;
FIG. 3 is a rear elevational view of the invention shown in FIG. 1;
FIG. 4 is a left side elevational view of the invention shown in FIG. 1;
FIG. 5 is a right side elevational view of the invention shown in FIG. 1;
FIG. 6 is a top plan view of the invention shown in FIG. 1; and,
FIG. 7 is a bottom plan view of the invention shown in FIG. 1.

The drawings of the portable device charging station include stippling in the various views, for example, FIGS. 2-5, to depict surface curvature, flatness or other shapes.

The broken lines depicting battery packs in FIG. 1 of the drawings are included for the purpose of illustrating environmental structure and form no part of the claimed design.
