(57) **CLAIM**

We claim the ornamental design for a display screen or
portion thereof with graphical user interface, as shown and
described.

DESCRIPTION

The sole FIGURE is a front view of a display screen or
portion thereof with graphical user interface showing our
new design.

The outermost broken lines in the figures show a display
screen or portion thereof and form no part of the claimed
design.

The remaining broken lines illustrate portions of a graphical
user interface and form no part of the claimed design.
