(57) **CLAIM**

The ornamental design for an electronic device, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a first embodiment of the design for an electronic device;
 FIG. 2 is a front elevation view of the first embodiment of the design for an electronic device;
 FIG. 3 is a rear elevation view of the first embodiment of the design for an electronic device;
 FIG. 4 is a left side elevation view of the first embodiment of the design for an electronic device;
 FIG. 5 is a right side elevation view of the first embodiment of the design for an electronic device;
 FIG. 6 is a top plan view of the first embodiment of the design for an electronic device;
 FIG. 7 is a bottom plan view of the first embodiment of the design for an electronic device;
 FIG. 8 is another perspective view of the first embodiment of the design for an electronic device;
 FIG. 9 is yet another perspective view of the first embodiment of the design for an electronic device;
 FIG. 10 is a perspective view of a second embodiment of the design for an electronic device;
 FIG. 11 is a front elevation view of the second embodiment of the design for an electronic device;
 FIG. 12 is a rear elevation view of the second embodiment of the design for an electronic device;
 FIG. 13 is a left side elevation view of the second embodiment of the design for an electronic device;

(Continued)

FIG. 14 is a right side elevation view of the second embodiment of the design for an electronic device;
 FIG. 15 is a top plan view of the second embodiment of the design for an electronic device;
 FIG. 16 is a bottom plan view of the second embodiment of the design for an electronic device;
 FIG. 17 is another perspective view of the second embodiment of the design for an electronic device; and,
 FIG. 18 is yet another perspective view of the second embodiment of the design for an electronic device.
 Broken lines shown in the drawings of the electronic device are for illustrative purposes only and form no part of the claimed design.

1 Claim, 18 Drawing Sheets
