(57) **CLAIM**

The ornamental design for a display screen with alien-themed keyboard graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a first embodiment of a display screen with alien-themed keyboard graphical user interface showing the new design; and, FIG. 2 is a front view of a second embodiment thereof. The broken lines shown in the drawings illustrate portions of the display screen with alien-themed keyboard graphical user interface that form no part of the claimed design. The broken lines shown in the drawings illustrating characters on

(Continued)

the keys of the alien-themed keyboard graphical user interface form no part of the claimed design.
