(57) **CLAIM**

The ornamental design for a side pod for turf vehicle, as
shown and described.

DESCRIPTION

FIG. 1 is a right rear perspective view of a side pod for turf
vehicle in accordance with an embodiment of the claimed
design and shown attached to a riding lawn mower;
FIG. 2 is a right front perspective view of the design of FIG.
1;
FIG. 3 is a right side elevation view of the design of FIG. 1;
FIG. 4 is a rear elevation view of the design of FIG. 1;
FIG. 5 is a front elevation view of the design of FIG. 1; and,
FIG. 6 is a top plan view of the design of FIG. 1.
The left side elevation view and the bottom plan view are not
shown and form no part of the claimed design.
The dot-dash broken lines in the figures immediately adja-
cent the solid lines represent a boundary between claimed
and unclaimed subject matter and form no part of the
claimed design.
The dash-dash broken lines in the figures (including the
riding lawn mower in FIG. 1, the portions adjacent the
dot-dash broken lines, and other aspects) represent environ-
ment in which the claimed design may be embodied, and
which form no part of the claimed design.
The labels used herein to describe orientation (e.g., front,
rear, left, right) are merely for reference and are not intended
to limit the interpretation of the design.
Applicant reserves the right to convert: a portion or portions
of any of the broken lines to solid lines such that the features
described by those lines then form a part of the claimed
design; and/or a portion or portions of any of the solid lines
to broken lines such that the features described by those lines
no longer form part of the claimed design.

1 Claim, 6 Drawing Sheets
