FIG. 1 is a perspective view of the design for the extended battery of a powered air purifying respirator;
FIG. 2 is a front view of a design for the extended battery of a powered air purifying respirator;
FIG. 3 is a bottom view of a design for the extended battery of a powered air purifying respirator;
FIG. 4 is a back view of a design for the extended battery of a powered air purifying respirator;
FIG. 5 is a top view of a design for the extended battery of a powered air purifying respirator;
FIG. 6 is a right hand view of a design for the extended battery of a powered air purifying respirator; and,
FIG. 7 is a left hand view of a design for the extended battery of a powered air purifying respirator.
