(57) **CLAIM**

The ornamental design for a LED luminaire having a mounting system, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawings will be provided by the Office upon request and payment of the necessary fee. FIG. 1 is a front elevational view of the LED luminaire having a mounting system, showing our new design; FIG. 2 is a back elevational view thereof; FIG. 3 is a top, back, left perspective view thereof; FIG. 4 is a top, back, right perspective view; FIG. 5 is a left elevational view thereof; FIG. 6 is a right elevational view thereof; FIG. 7 is a top plan view thereof; and, FIG. 8 is a bottom plan view thereof. The broken line disclosure represents portions of the LED luminaire which forms no part of the claimed design.
