See application file for complete search history.

FIG. 1 is a front perspective view of a LED lighting strip of an indefinite length showing my new design;
FIG. 2 is a rear perspective view thereof;
FIG. 3 is a top plan view thereof;
FIG. 4 is a bottom plan view thereof;
FIG. 5 is a left side elevational view thereof;
FIG. 6 is a right side elevational view thereof;
FIG. 7 is a front elevational view thereof;
FIG. 8 is a rear elevational view thereof;
FIG. 9 is a front perspective view thereof showing the LED lighting strip in a position of use; and,
FIG. 10 is another front perspective view thereof showing a plurality of lighting strips in a position of use.

The broken lines in FIGS. 9 and 10 represent structural components which are in the environment of the claimed design, but which do not form part of the claimed design.
