(57) **CLAIM**

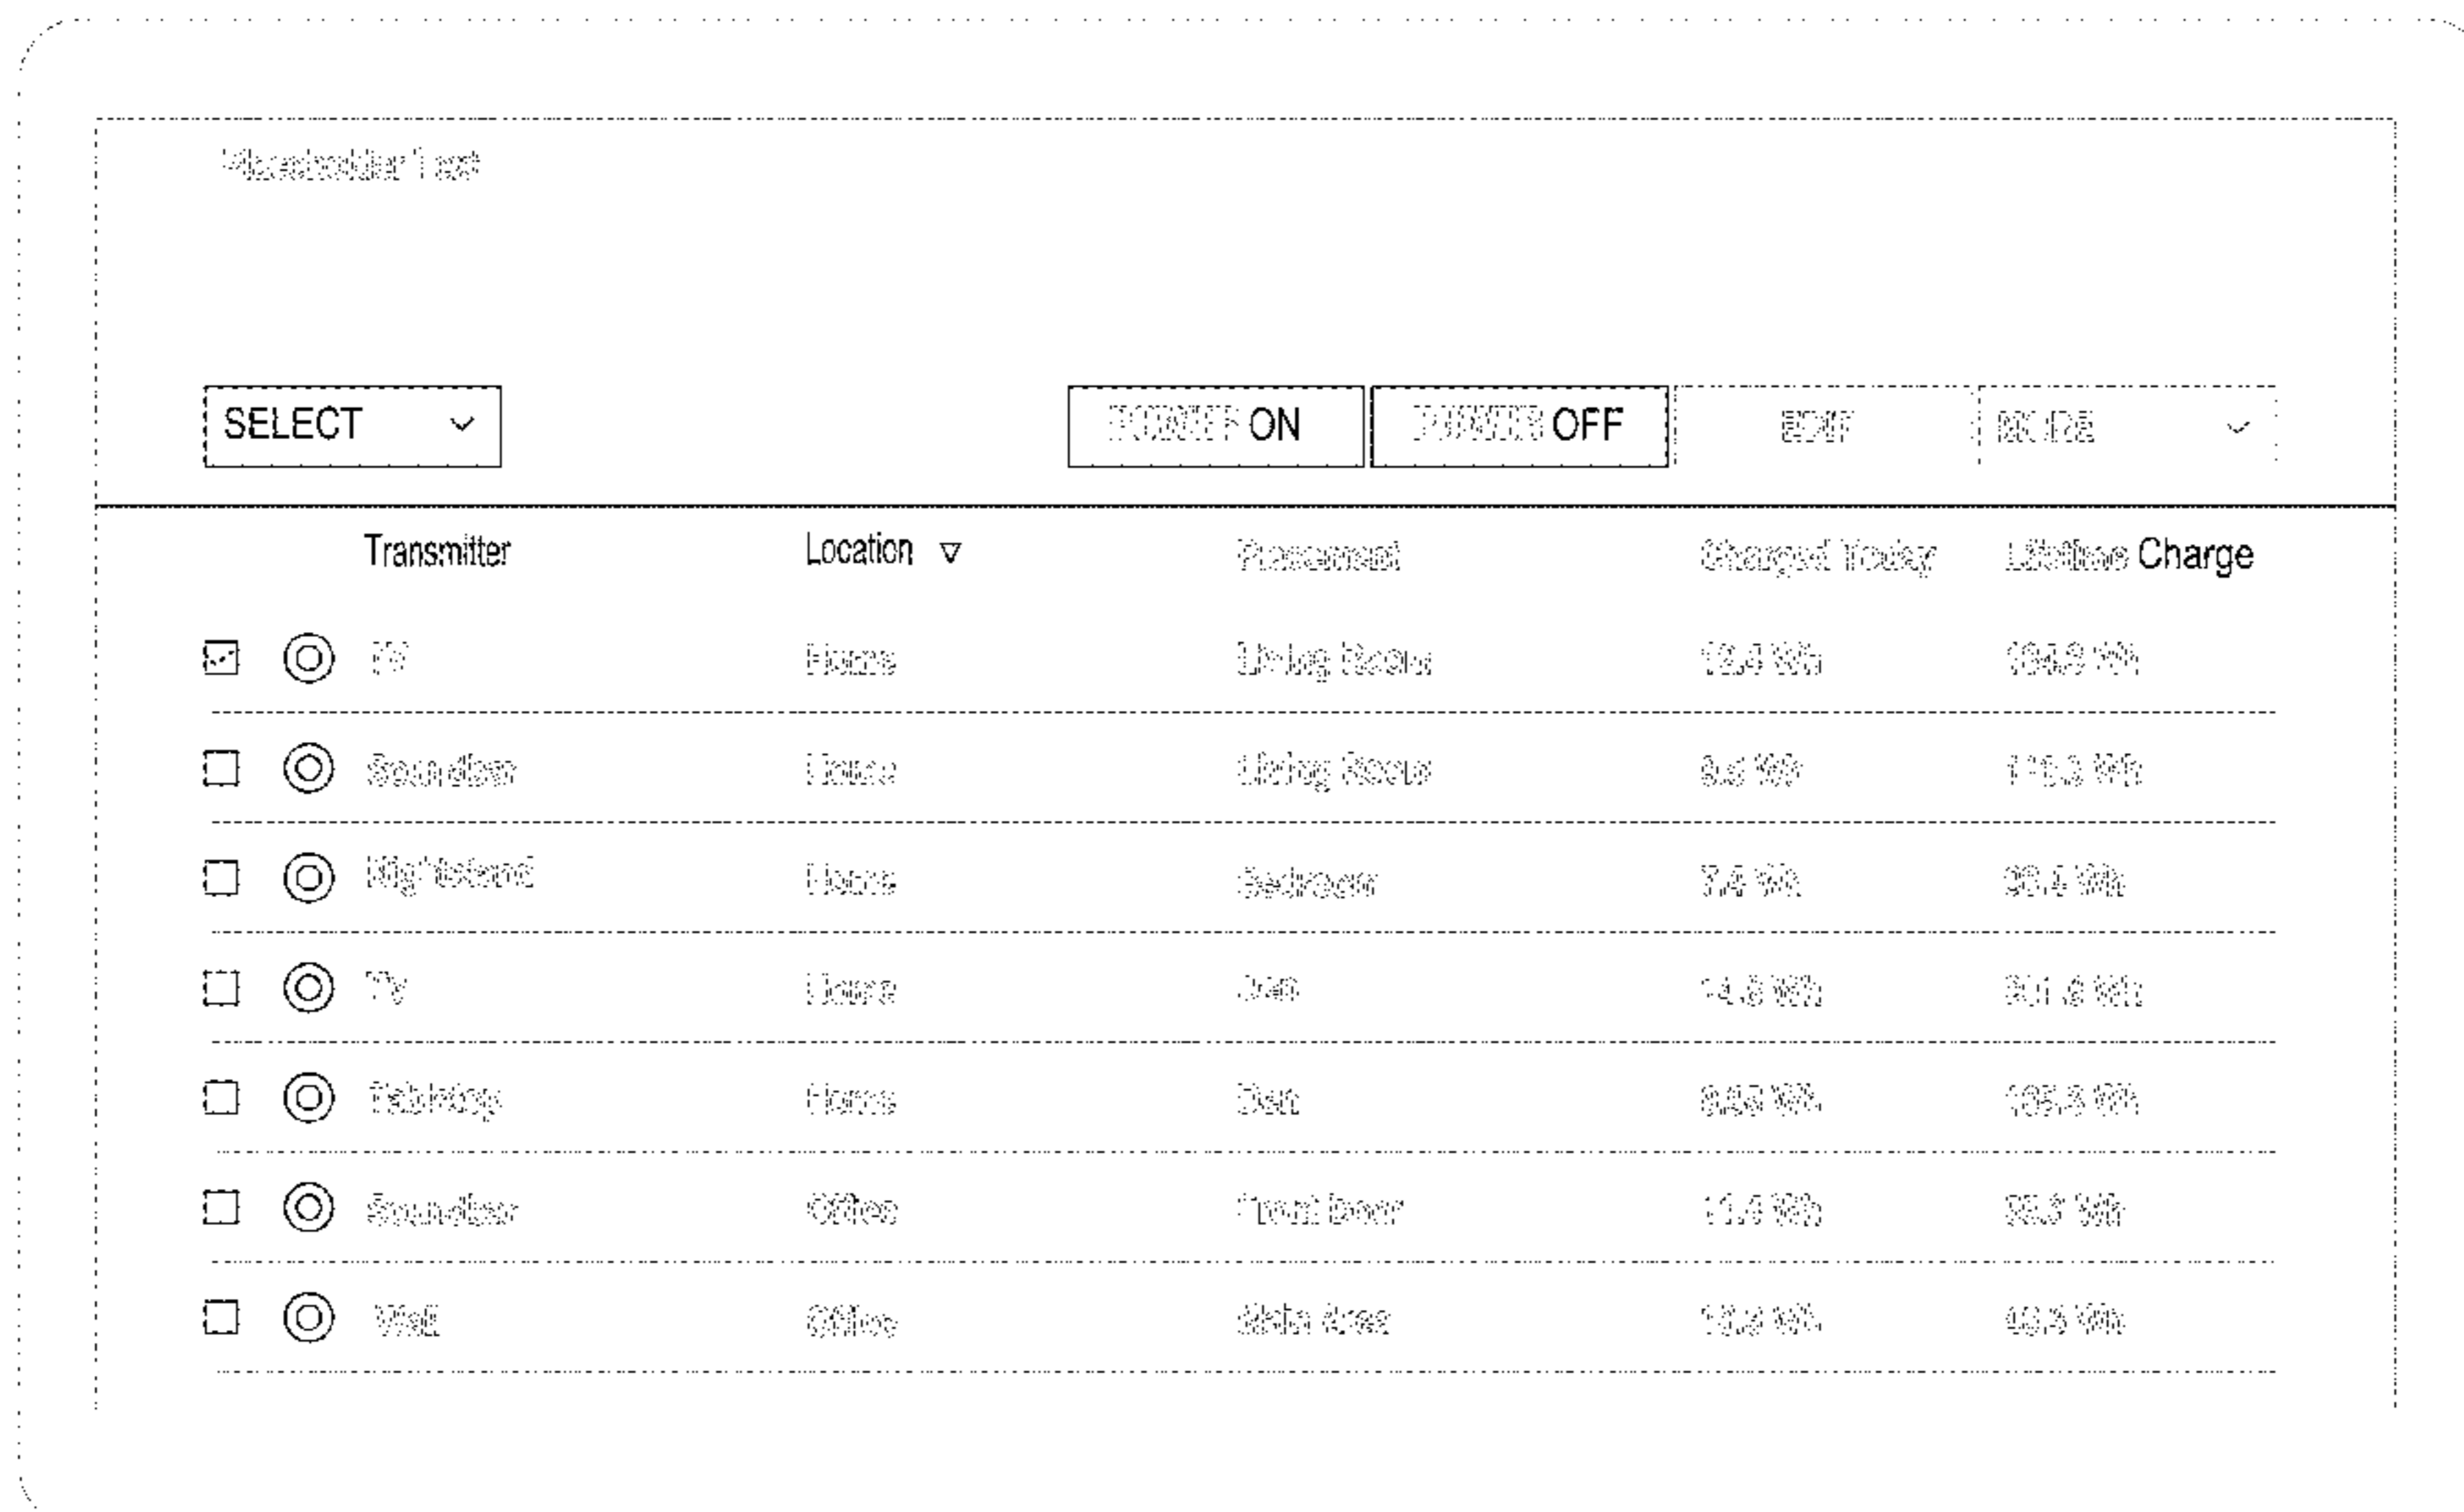

The ornamental design for a display screen or portion thereof with a graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen or portion thereof with a graphical user interface showing my new design.

The broken lines illustrate numerous unclaimed features including the display screen, portions of the graphical user interface, and portions of an electronic device. In other words, none of the broken lines form part of the claimed design.
