**DESCRIPTION**

See application file for complete search history.

1. Pen  
**1.1** is a top and side perspective view of a pen showing my new design;  
**1.2** is a front elevation view thereof;  
**1.3** is a side elevation view thereof;  
**1.4** is a top plan view thereof, the bottom plan view being a mirror image;  
**1.5** is a partially exploded side elevation view thereof with the cap removed;  
**1.6** is a fully exploded top and front perspective view thereof;  
**1.7** is a perspective view thereof wherein the pen is shown configured with other pens into a pyramid structure;  
**1.8** is a perspective view thereof wherein the pen is shown configured with other pens and objects; and  
**1.9** is a perspective view thereof wherein the pen is shown configured with other pens into a cube structure.  
The broken lines in the drawings illustrate portions of the pen and environmental subject matter of additional pens, paperclips, and a ruler that do not form part of the claimed design.
