(57) **CLAIM**

The ornamental design for a sticking plaster for medical purposes, as shown and described.

DESCRIPTION

1. Sticking plaster for medical purposes

Figure 1.1 is a perspective view of a sticking plaster for medical purposes showing our new design;

Figure 1.2 is another perspective view thereof in position of use;

Figure 1.3 is a left perspective view thereof in an alternate configuration;

Figure 1.4 is a top perspective view thereof in an alternate position of use;

Figure 1.5 is another top perspective view thereof in an alternate position of use; and

Figure 1.6 is a bottom view thereof.

The broken line showing of a sticking plaster for medical purposes is for the purpose of illustrating environment and forms no part of the claim.
