(57) **CLAIM**

The ornamental design for a construction pan assembly, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an exemplary construction pan assembly, according to one embodiment of the present disclosure;

FIG. 2 is a front view of an exemplary construction pan assembly, according to one embodiment of the present disclosure;

FIG. 3 is a rear view of an exemplary construction pan assembly, according to one embodiment of the present disclosure;

FIG. 4 is a side view of an exemplary construction pan assembly, according to one embodiment of the present disclosure;

FIG. 5 is a side view of an exemplary construction pan assembly, according to one embodiment of the present disclosure;

FIG. 6 is a top view of an exemplary construction pan assembly, according to one embodiment of the present disclosure;

FIG. 7 is a bottom view of an exemplary construction pan assembly, according to one embodiment of the present disclosure; and,

FIG. 8 is an exploded view of an exemplary construction pan assembly, according to one embodiment of the present disclosure.

The broken lines in the drawings are for the purpose of illustrating environmental structure which form no part of the claimed design.

1 Claim, 8 Drawing Sheets
