(57) **CLAIM**

The ornamental design for a fishing lure device, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of the fishing lure device embodying the new design with the opposing view being a mirror image thereof.

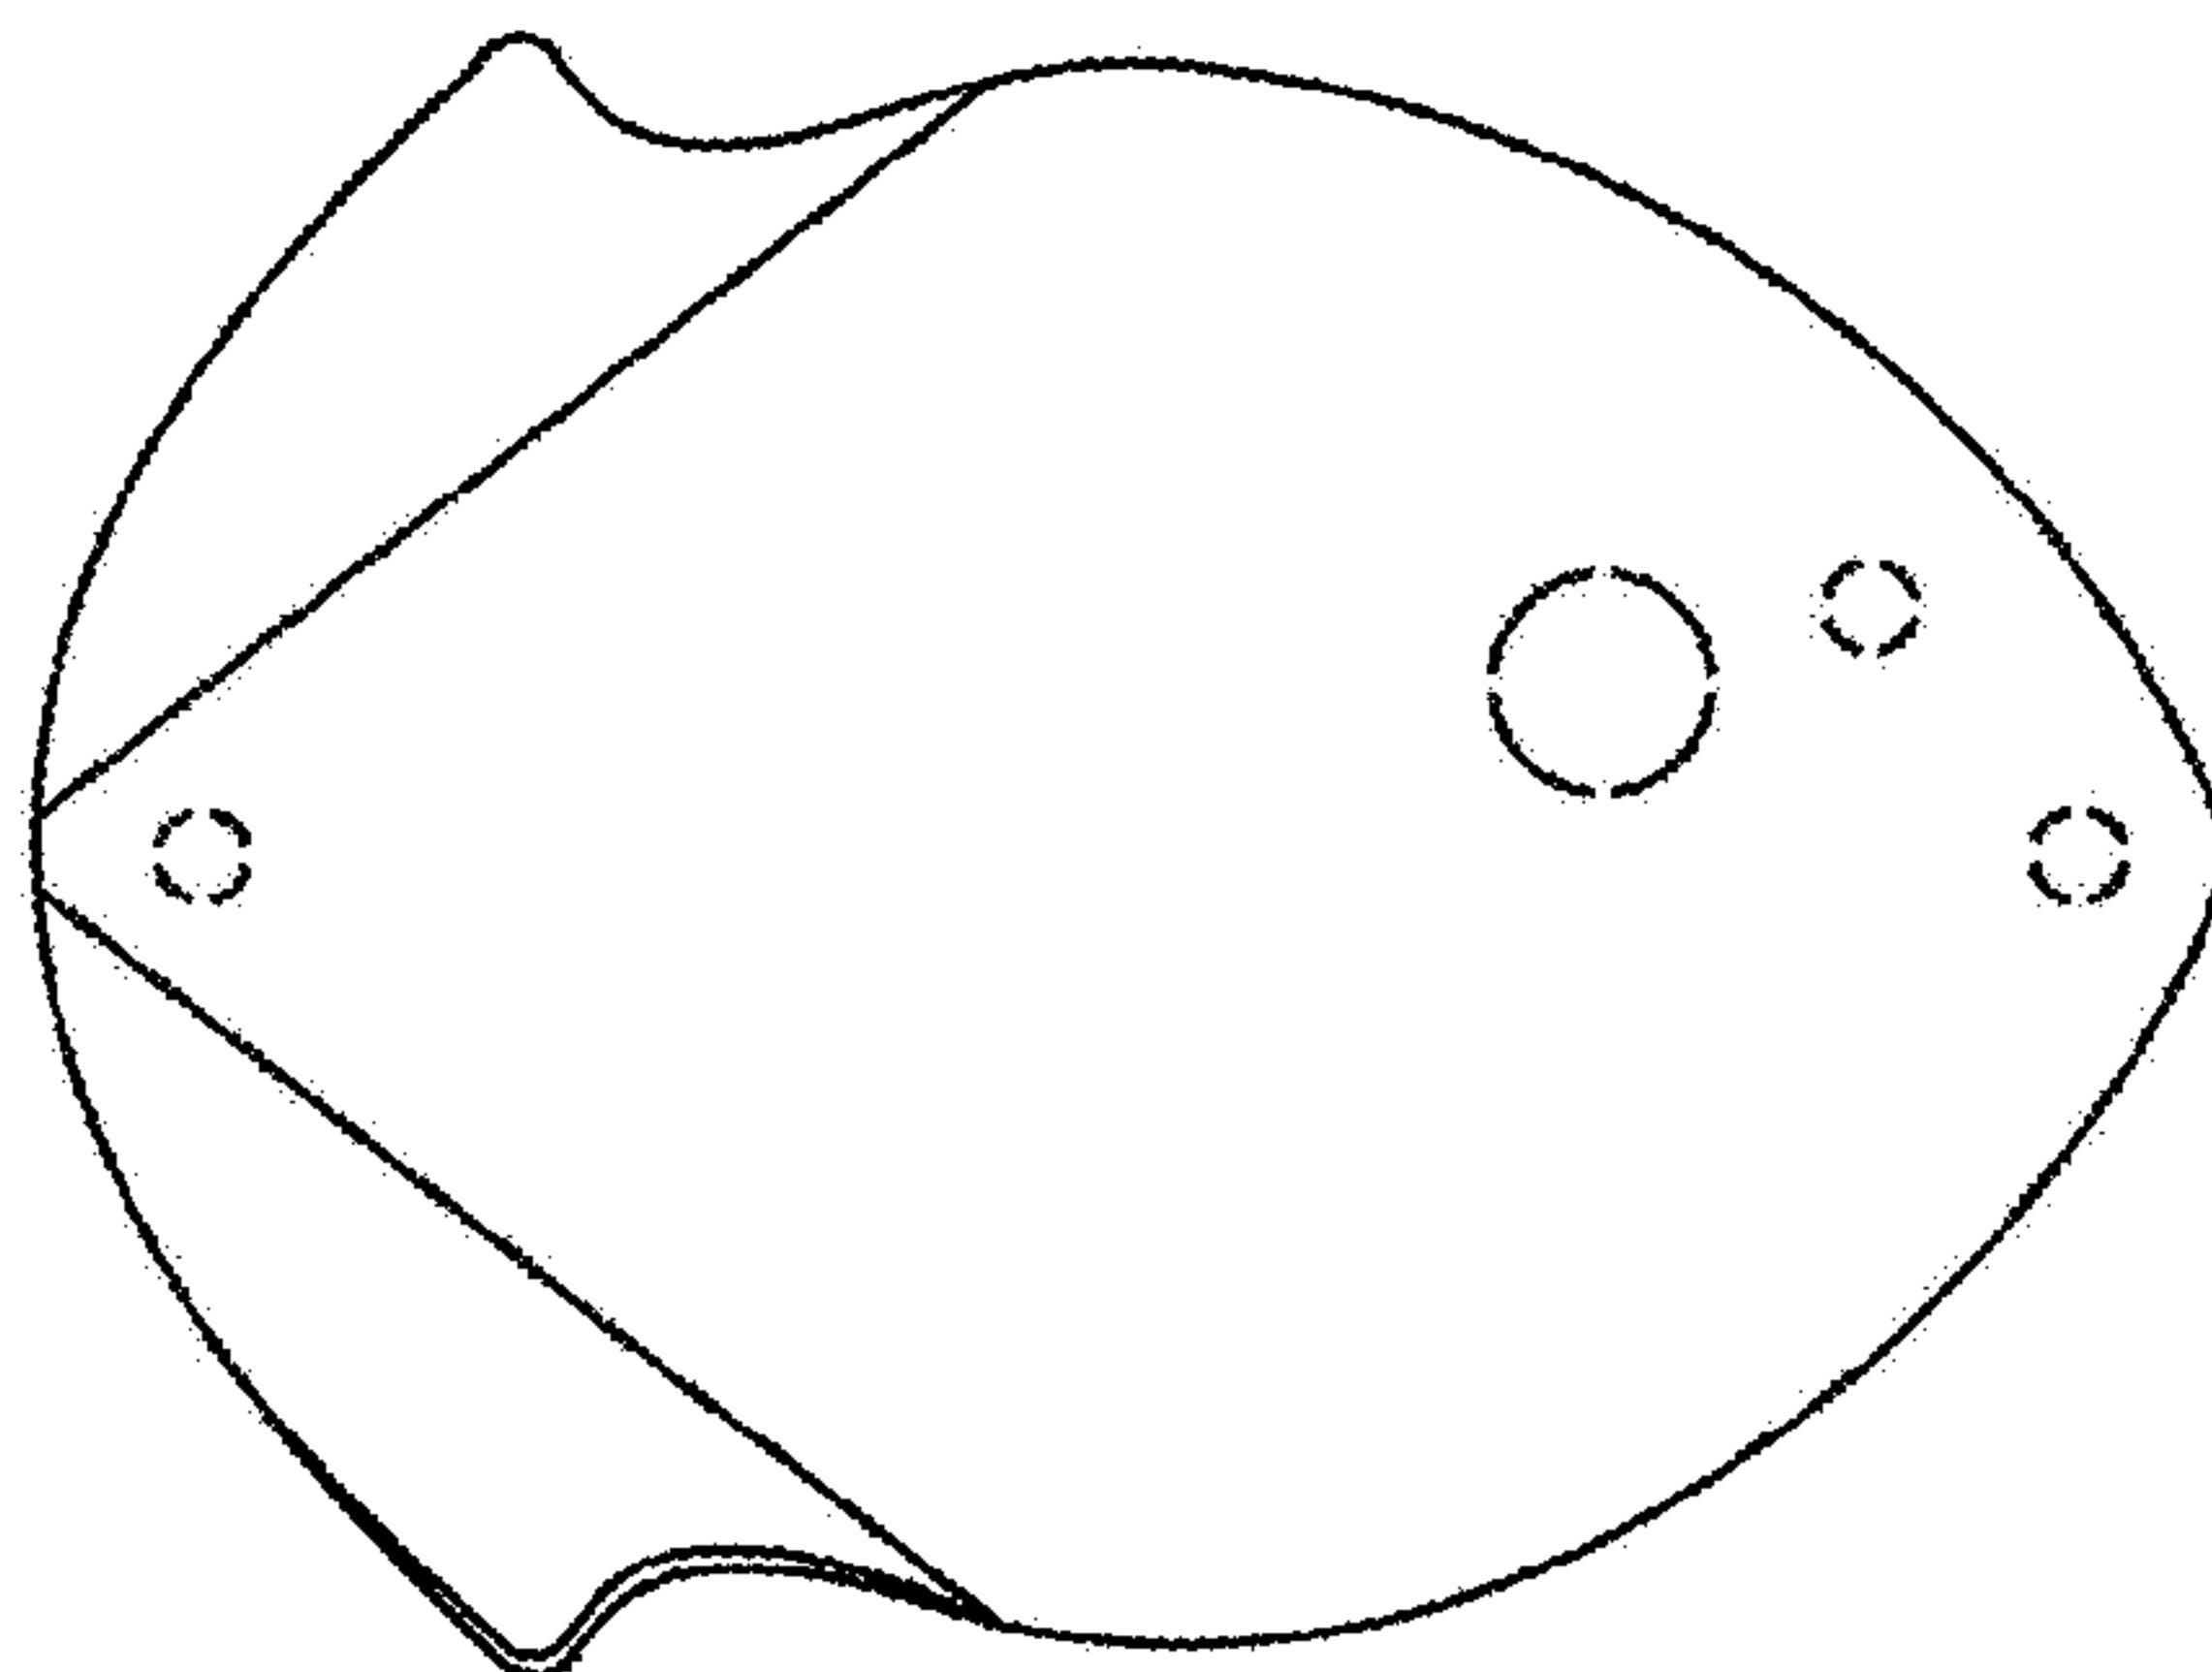

FIG. 2 is a side view thereof with the opposing side view being a mirror image thereof.

FIG. 3 is a front view thereof; and,

FIG. 4 is a rear view thereof.

The broken lines depict environmental structure and are for illustrative purposes only and form no part of the claimed design.
