(57) **CLAIM**

The ornamental design for a portable drive-over conveyor, as shown and described.

DESCRIPTION

FIG. **1** is an isometric view from the front and left side of the portable drive-over conveyor showing my new design.
FIG. **2** is an isometric view from the rear and left side thereof.
FIG. **3** is an isometric view from the rear and right side thereof.
FIG. **4** is an isometric view from the front and right side thereof.
FIG. **5** is a front elevational view shown at a larger scale thereof;
FIG. **6** is a rear elevational view shown at a larger scale thereof;
FIG. **7** is a left side elevational view thereof.
FIG. **8** is a right side elevational view thereof.
FIG. **9** is a top plan view thereof; and,
FIG. **10** is a bottom plan view thereof.
The portions of the portable drive-over conveyor shown in broken line form no part of the claimed design.
