(57) **CLAIM**

The ornamental design for a shoe, as shown and described.

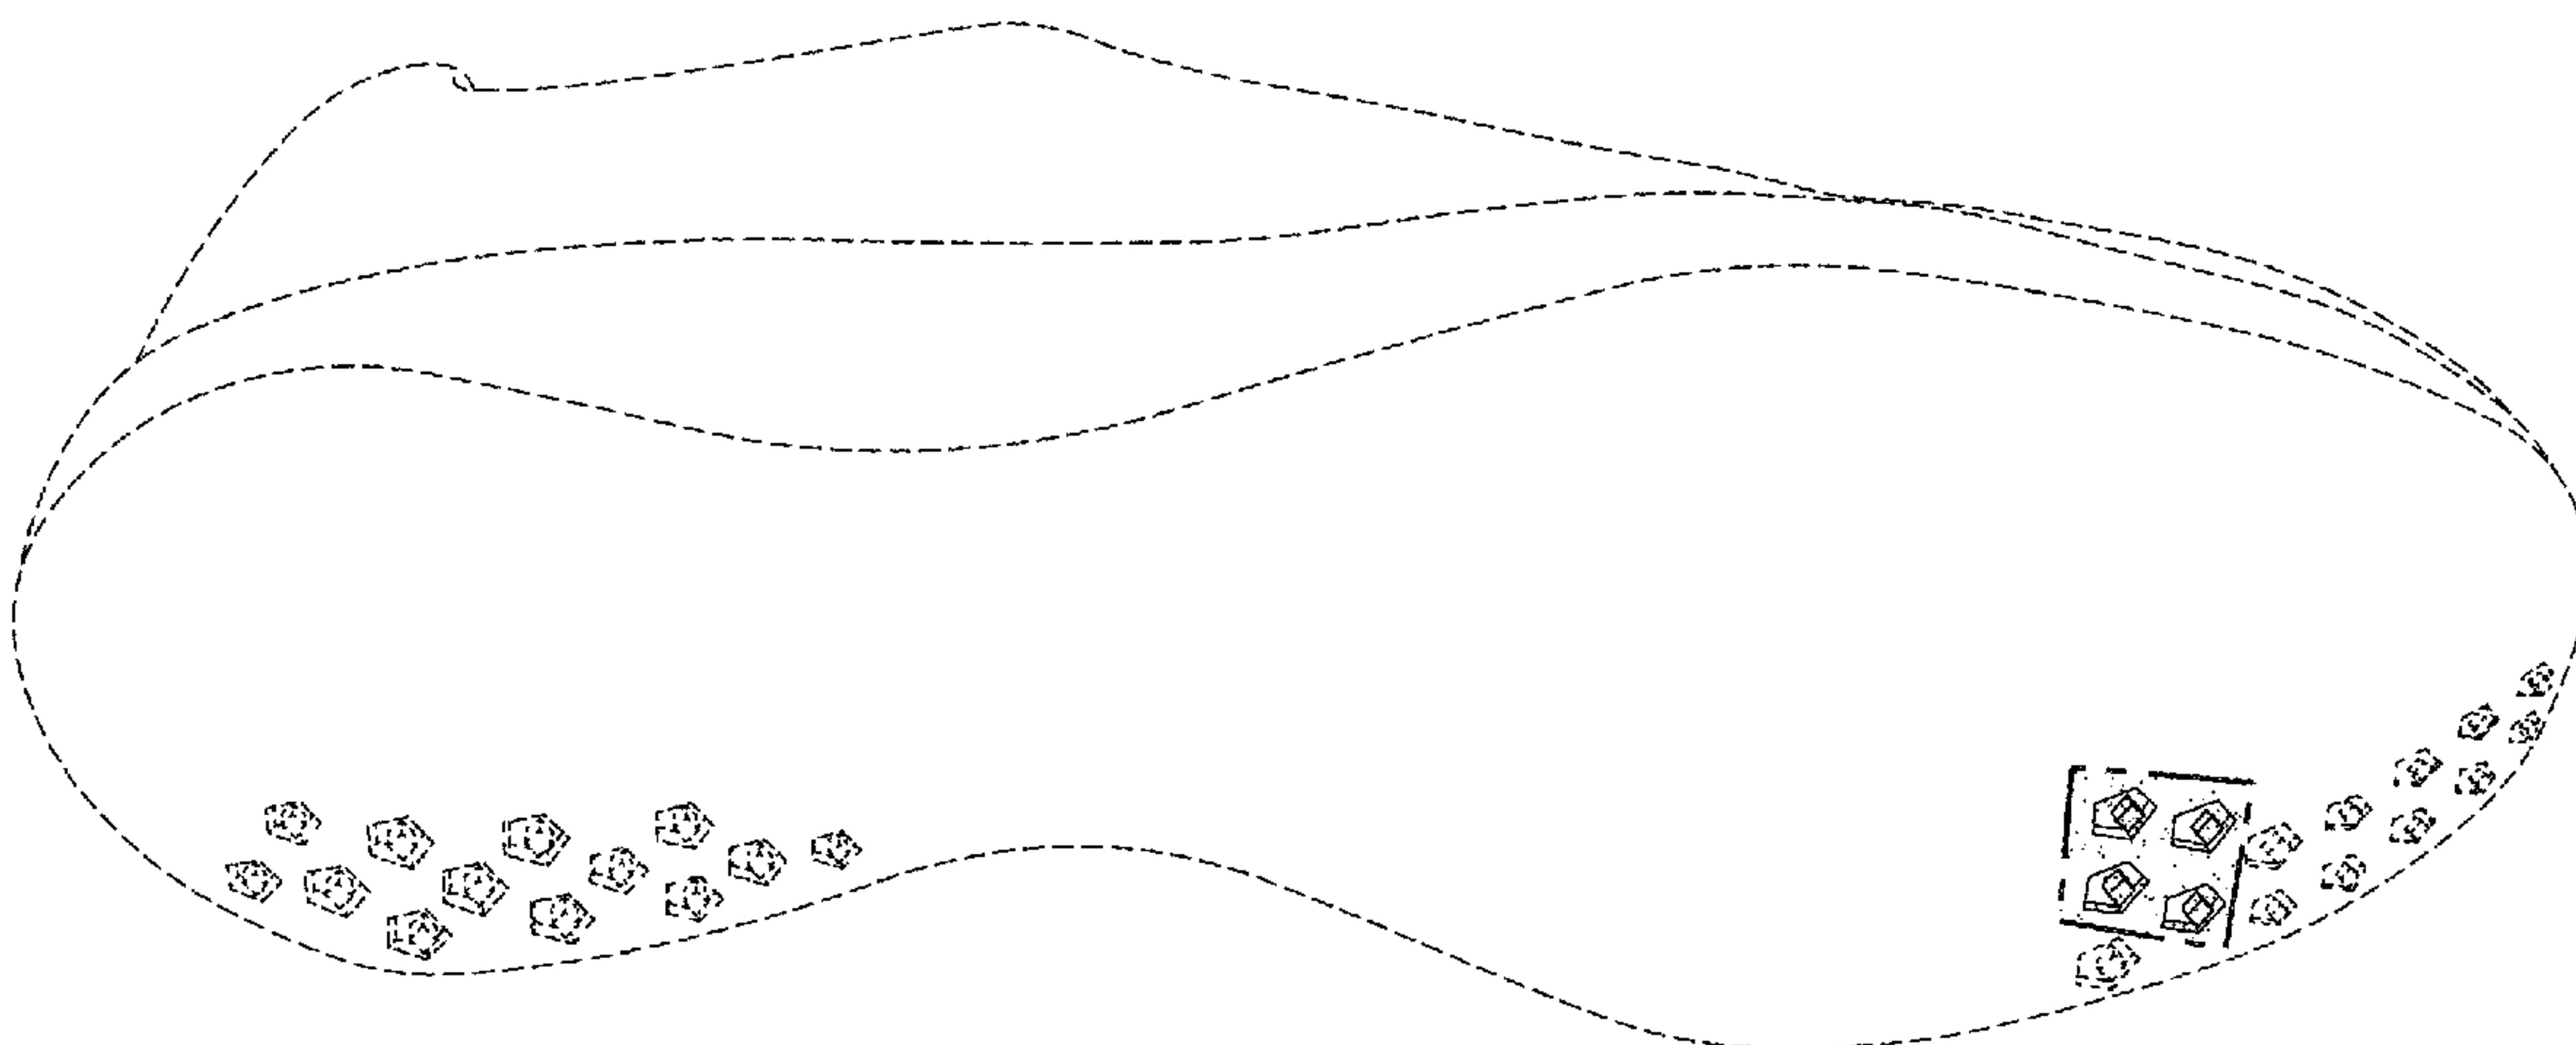

**DESCRIPTION**

FIG. 1 is a bottom, lateral side perspective view of a shoe  
showing the present design;  
FIG. 2 is a bottom view thereof; and,  
FIG. 3 is a magnified view of the claimed area shown in FIG.  
2.

The even-length broken lines shown in the drawings are  
directed to environment and form no part of the claimed  
design.

The long and short broken lines are boundary lines, which  
define bounds of the claimed design. These boundaries do  
not exist in reality in the article embodying the design. It is  
understood that the claimed design extends to these bound-  
aries but does not include the boundaries.

**1 Claim, 3 Drawing Sheets**
