(57) **CLAIM**

The ornamental design of a measurement device, as shown and described.

**DESCRIPTION**

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a top perspective view of a measurement device in accordance with the present invention;

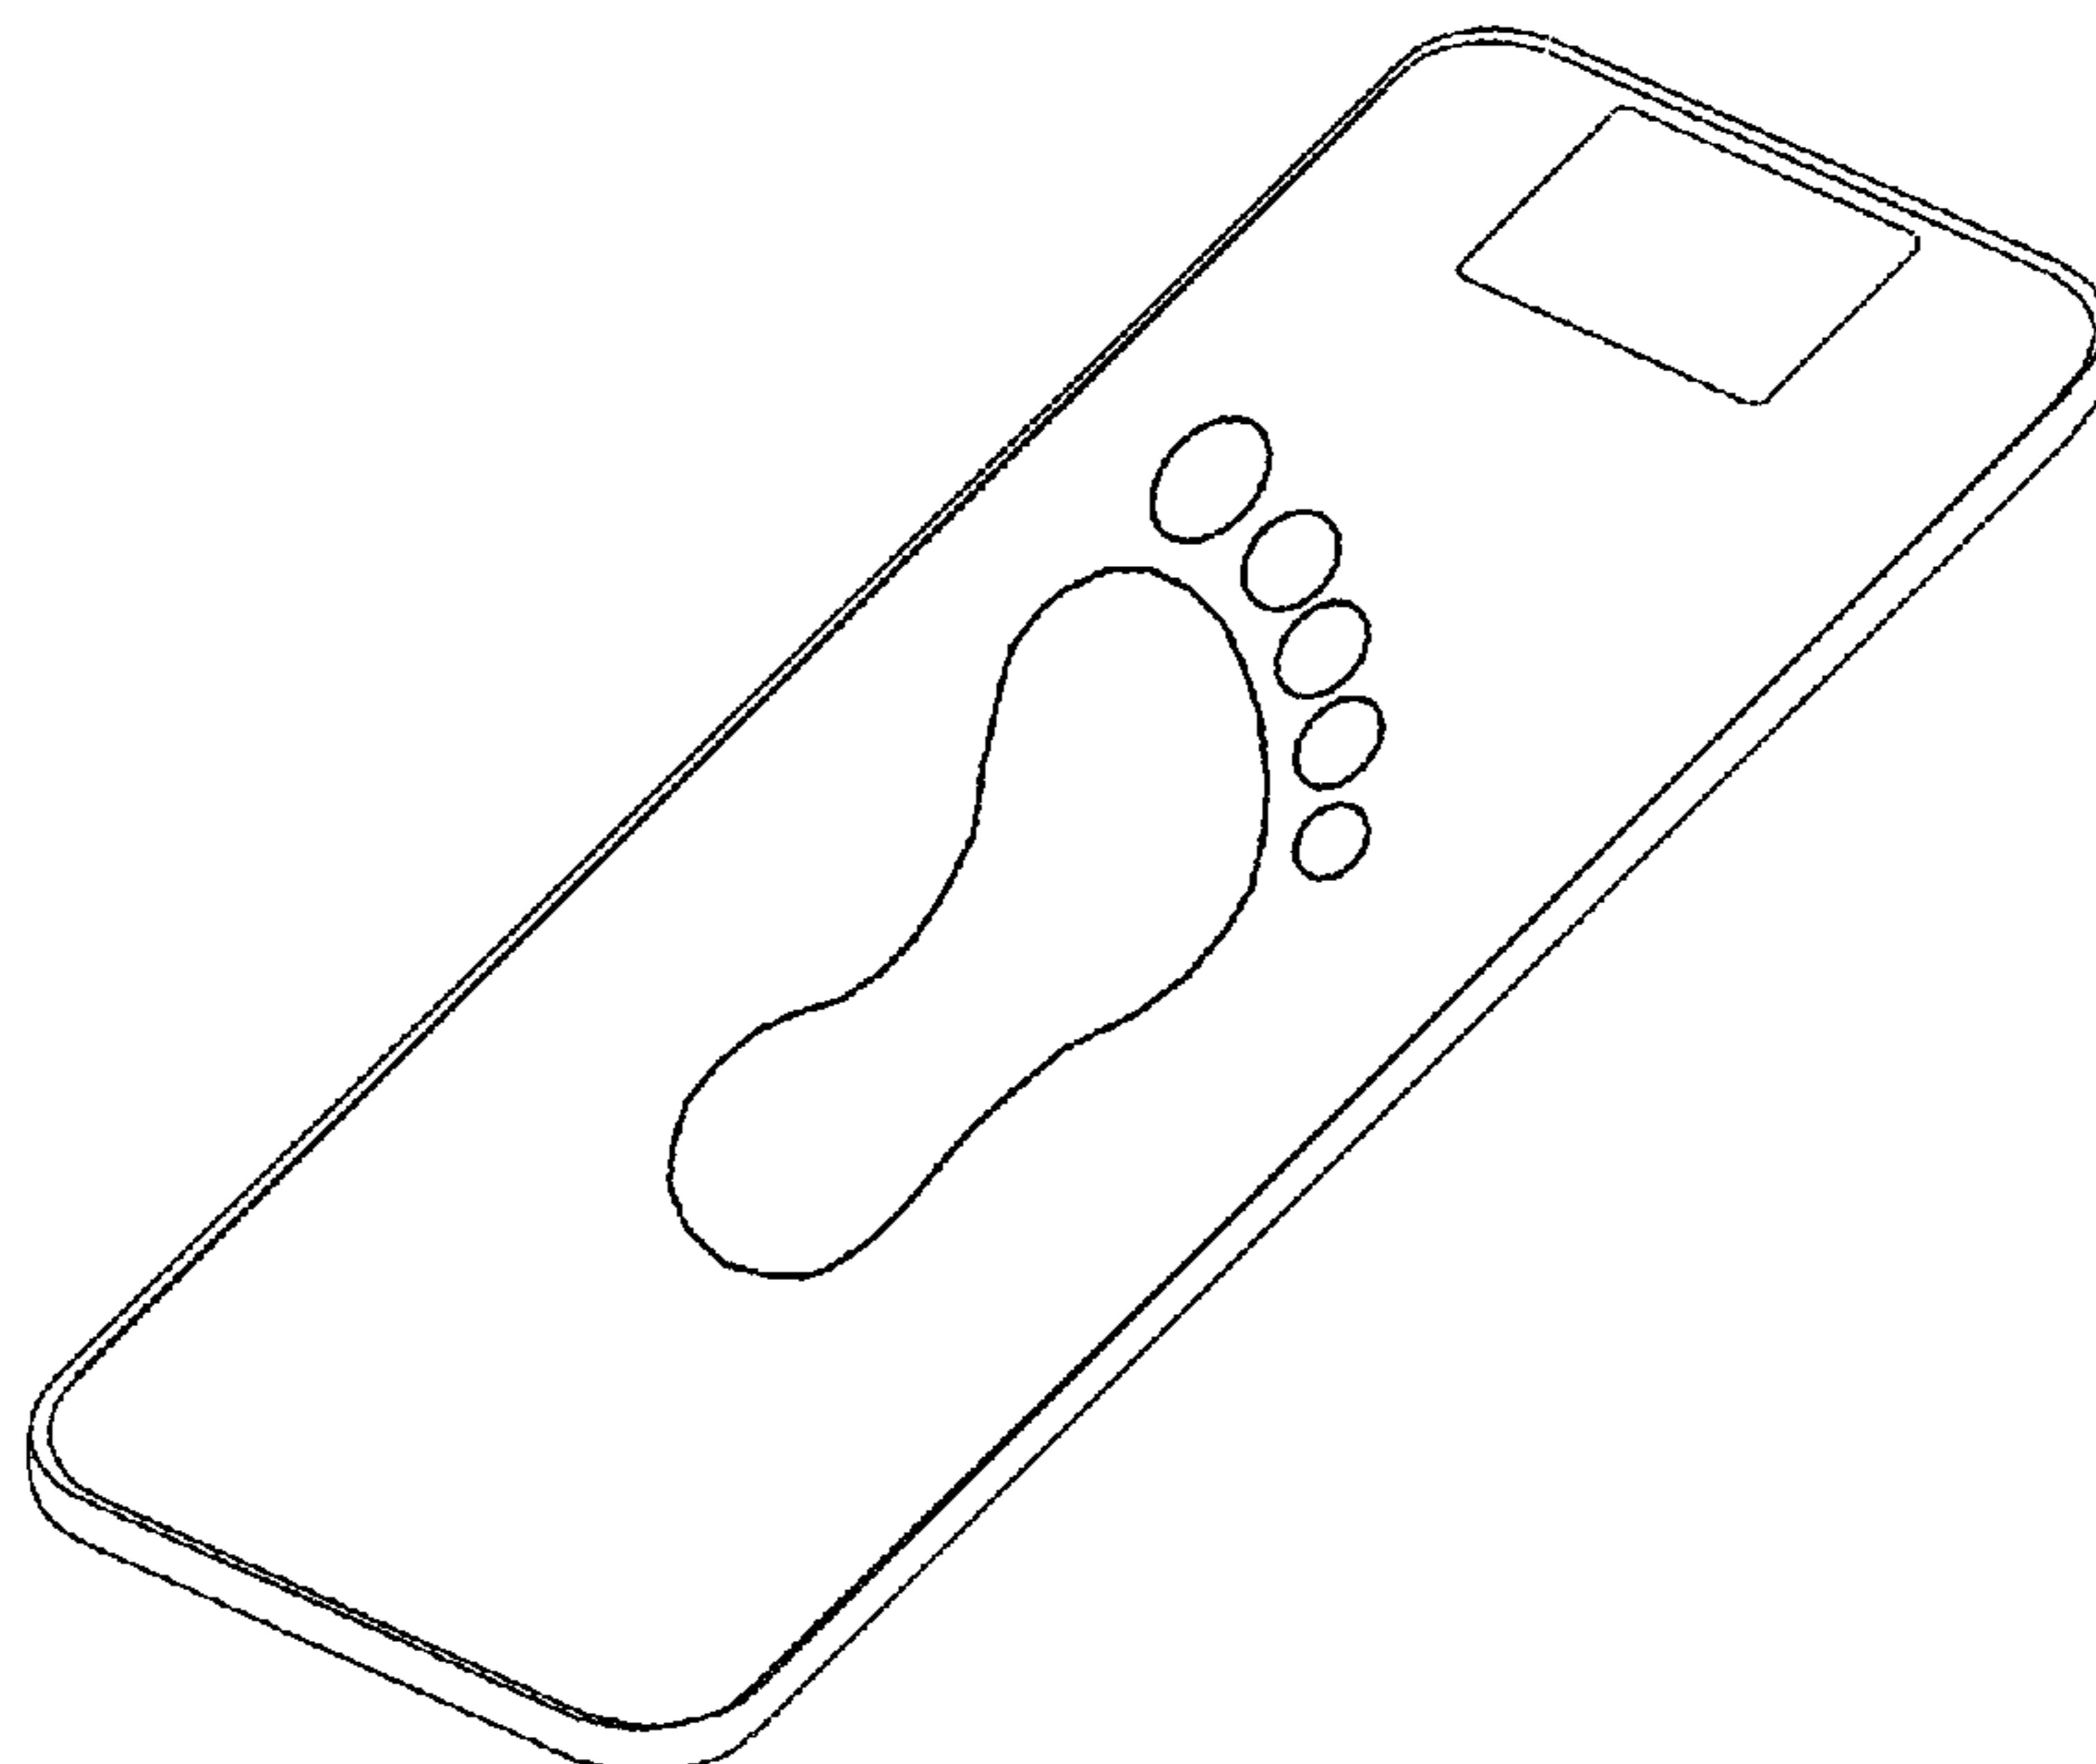

FIG. 2 is a top perspective view of a measurement device in accordance with the present invention;

FIG. 3 is a plan and elevation view of a measurement device; and,

FIG. 4 is a top overlay and user interface view thereof.

The claimed surface of the measurement device is illustrated with the color designation for the color black. The electronic device is not limited to the scale shown herein. As indicated in the title, the article of manufacture to which the ornamental design has been applied is a measurement device, or foot sizing device.
