(57) **CLAIM**

The ornamental design for a display screen with graphical
user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen with
graphical user interface showing my new design.
The broken lines of uneven length show the display screen
and form no part of the claimed design. The broken lines of
even length illustrate portions of the display screen with
graphical user interface that form no part of the claimed
design.

1 Claim, 1 Drawing Sheet
