CLAIM

The ornamental design for a portion of a boot upper, as
shown and described.

DESCRIPTION

FIG. 1 is a left side elevational view of a portion of a boot
upper, showing my new design; and,
FIG. 2 is a front, left side perspective view thereof.
The broken lines shown just inside the solid-line boundaries
of the bow are intended to disclaim the interior portions of
the bows, other broken lines within the bow illustrate
unclaimed details, and the broken lines illustrating the boot
are solely for the purpose of illustrating context, environ-
ment or other unclaimed areas and form no part of the
claimed design. The claimed design is for a portion of a boot
upper illustrated in the drawing views of FIGS. 1 and 2, and
also encompasses an embodiment that is the corresponding
portion of the opposite matching boot upper, i.e., an embodi-
ment that is a mirror image of the embodiment illustrated in
FIGS. 1 and 2.

1 Claim, 2 Drawing Sheets
