(57) **CLAIM**

The ornamental design for a continuous spring, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a continuous spring illustrating our new design;  
FIG. 2 is a top view thereof;  
FIG. 3 is a bottom view thereof;  
FIG. 4 is a front view thereof; the rear view being identical; and,  
FIG. 5 is a right side view thereof, the left side being identical.

The continuous spring is shown with symbolic drafting cut lines at the ends to indicate that this is a section of a continuous spring. The cut lines do not form part of the claimed design.
