(57) **CLAIM**

The ornamental design for a control interface for a vehicle steering wheel, substantially as shown and described.

DESCRIPTION

This application claims priority to and the benefit of Office for Harmonization in the Internal Market (OHIM) application number EM 002750646, filed Aug. 6, 2015.

FIG. 1 is a perspective view of a control interface for a vehicle steering wheel;

FIG. 2 is a front view of the control interface;

FIG. 3 is a left side view of the control interface;

FIG. 4 is a right side view of the control interface;

FIG. 5 is a top view of the control interface; and,

FIG. 6 is a bottom view of the control interface.

In the drawings, the broken lines depict environmental subject matter only and form no part of the claimed design.

1 Claim, 4 Drawing Sheets
