(57) **CLAIM**

The ornamental design for a woven fabric, as shown and described.

**DESCRIPTION**

FIG. 1 is a top plan view of a woven fabric showing my new design.  
FIG. 2 is a front elevational view thereof as seen along lines 2-2 in FIG. 1.  
FIG. 3 is a rear elevational view thereof as seen along lines 3-3 in FIG. 1.  
FIG. 4 is a right side elevational view thereof as seen along lines 4-4 in FIG. 1.  
FIG. 5 is a left side elevational view thereof as seen along lines 5-5 in FIG. 1; and,  
FIG. 6 is a bottom plan view thereof.  
The lines and arrows in FIG. 1 indicate the viewpoint of FIGS. 2 through 5. The first set of arrows, adjacent their respective reference figure numbers, indicate the direction from which the figure view is seen, and the second set of arrows, attached at the ends of their respective first arrows and perpendicular to those arrows, indicate the depth of those views depicted. For clarity of depiction, only the edge of the design back to the point indicated by the second set of arrows is shown in the front, rear, right and left side elevational views (FIGS. 2 through 5). The arrows, associated lines and reference numbers form no part of the claimed design.
