(57) **CLAIM**

The ornamental design for a combined electronic candle array and magnetic charging tray assembly, as shown and described.

DESCRIPTION

FIG. 1 is a top, front, and right side perspective view of a combined electronic candle array and magnetic charging tray assembly showing my new design;

FIG. 2 is an enlarged top, rear, and left side perspective view of the magnetic charging tray portion thereof, with the array of candles omitted for clarity of illustration;

FIG. 3 is a top plan view thereof;

FIG. 4 is a top plan view of the magnetic charging tray portion thereof, with the array of candles omitted for clarity of illustration;

FIG. 5 is a bottom view thereof;

FIG. 6 is an enlarged front elevational view thereof;

FIG. 7 is an enlarged rear elevational view thereof;

FIG. 8 is a right side elevational view thereof; and,

FIG. 9 is a left side elevational view thereof.

The broken line disclosure in the views represents portions of the assembly which form no part of the claimed design.
